## RACERS ALL READY FOR MONDAY EVENT

**MONDAY AUTO RACE PROGRAM**

Event 1.—Time trials to start at 12 noon, and end before the time set for the races proper to start.

Event 2.—Twenty mile race for Class B cars; 2:30 sharp.

Event 3.—Three mile (one lap for flying start) race for lady motorcycle riders, competitors being Margarette McKern and Izetta Hildebrand, both of Portland.

Event 4.—Twenty mile race for Class A cars.

Event 5.—Three mile (one lap for flying start) race for lady auto drivers with Whippet roadsters stripped down to racing regulations; the drivers being Edna McCall and Harriett Schaefer, racing under the names of "Reckless Susan" and "Calamity Jane."

Event 6.—Fifty mile Multnomah Hotel Sweepstakes for the largest purse ever offered for one race on the fairgrounds track here and the Multnomah hotel cup.

Everything possible has been done to make the Independence day auto race program at the fairgrounds here, under the auspices of the Northwestern Auto Racing association, the biggest event of its kind ever staged in Salem, and with entries still coming in Saturday evening, indications were that this program would be second to none ever staged in the northwest except the races held at the old Tacoma speedway.

At that, three of the cars entered here are faster than the ones that were piloted at Tacoma; the Miller—straight eight driven by Jack Ross, and the two 16 valve Frontenac specials driven by Howard Wills and Art Hines. These cars are of the types used on the Indianapolis track, and will be seen for the first time in Oregon at this race meet.

The entries to date are as follows: Ross Norgard, Andy Wilson, Russell Lamb, Art Hines, E. C. Snyder, Al Johnson, H. V. Reed, Jack Ross, George (Sweden), Smith, Clyde Bloomgren, Guy Duell, Red Nutting, Ruddle Hahn, Bert White, Luckey Nelson, Walt Whitton, Phil Churchill, Gus Duray, Helms Moore, Mario Bianchia, Howard Wills, A. D. Smith, Sunny Gleason, Earl Bronks, Thor Fenice, Jack Miller, C. G. Walker, Dock Hahn, Jack Klees and Jim Butters.

## ILLINOIS ATHLETES CAPTURE AAU TITLE

**MEMORIAL STADIUM, Lincoln, Neb., July 2.—(AP)—**The Illinois Athletic club of Chicago, won the national A. A. U. senior track and field championships today, with fifty-five points.

The Olympic club of San Francisco, was second, with twenty-eight, and the Hollywood A. C., third, with either 25 or 27, depending on the decision of the winner of the 100-yard dash. Los Angeles A. C. was fourth, with 20, and New York A. C. was fifth, with 19.

**Records Broken**

One world's record was smashed, another was tied, two national A. A. U. records were broken and two were tied.

The Illinois club repeated its triumph of a year ago, this time in an afternoon of sweltering heat and record breaking performances.

Johnny Gibson, a former Fordham star, smashed the world's record for the 440-yard hurdles, leaping the barriers in 52.35. This clipped one and three-fifths seconds off the old mark established by J. K. Norton, of Stanford university, in 1920.

**100 Yard Dash Mark Equalled**

The world's record was equalled in the 100-yard dash, but just who should be credited with this performance remains to be settled by others than the contestants themselves. Charley Borah, of the Hollywood A. C., the 1926 sprint champion, was officially announced as the winner. The time was :09 3-5.

After the decision was announced, however, the judges were in doubt whether Borah broke the tape ahead of Chester Bowman, of the Newark A. C., or whether Bowman was first to the tape. Explaining the dispute over the winner, Murray Hulbert, of New York, president of the national A. A. U., said his decision, declaring either Borah or Bowman the victor, would not be made until he had an opportunity to view the motion pictures made of the thrilling finish, examine other photographs and take the statements of the six judges.

**Negro Wins Broad Jump**

The national A. A. U. records thrown into the discard were in the six-mile run, and the running broad jump. Dehart Hubbard, former University of Michigan negro star, competing unattached, leaped 25 feet, 8 3-4 inches in the broad jump, bettering his own record of 25 feet, 2 1/2 inches, made a year ago.

Willie Ritola, the Finnish distance star, running under the colors of the Finnish-American A. C., New York, set a new record in the six-mile run, covering the distance in 30:43 2-5. He clipped 47 3-5 seconds off the record, made by Phillip Osif, the Haskell Indian, 1926 champion, a year ago.

## TEXAS CAPTURES COLLEGE TITLE

**Haverford, Pa., July 2.—(AP)—**The state of Texas captured its first national intercollegiate singles tennis championship today, when Wilmer Allison, University of Texas, defeated Ben Gorchakoff, of Occidental college in the final match 6-1, 6-1, 6-1.

The cast, however, took the doubles title, when Princeton's team, John Van Ryn and Kenneth Appel, beat Gorchakoff and Norval Vrats, of Occidental, in a four-set struggle, 6-3, 7-5, 5-7, 6-4.

## THRONG TO CRATER LAKE

**MEDFORD, Ore., July 2.—(AP)—**When the news reached here today that the road through Crater Lake national park was now open, all the way to the lodge which has been ready for guests since July 1, with a full crew, a number of tourists and Medford people left in their cars for the lake to spend Sunday and Monday there.

The downtown boys batted in five runs in the first inning, then the convicts held them to a close game for the rest of the time but were unable to score any but isolated runs until the ninth. Then "Frisco" Edwards, manager of the billiard parlor team, relieved "Speck" Keene in the box and the inmates scored four runs off him before the game ended.

## FIRE CRACKERS DAMAGE LIGHTED MATCH TOSSED CARELESSLY INTO STAND WRECKS IT

**PORTLAND, July 2.—(AP)—**An impromptu pyrotechnic display dealt a mortal blow to a fruit stand here today, and sent innocent bystanders sprinting up streets and alleys with a spray of Roman candles, skyrocket and pinwheels in their wake, when a lighted match made the most of the situation after finding itself abandoned in a temporary fireworks stand in the front of the building. The fruit stand was destroyed by fire with a loss of approximately \$6500.

The blaze destroyed \$500 in currency, and \$300 in silver was partially melted.

Now that the war in Nicaragua is over without involving Uncle Sam in any bloodshed what will the pacifists find next to worry about?

## GOLF TITLE GOES TO GEORGIA TECH

**GARDEN CITY, N. Y., July 2.—(AP)—**Overcoming the medalist jinx which has held good with only three exceptions in the history of major tournament competitions, Watts Gunn, Georgia Tech senior, today won the Intercollegiate Golf association's championship by defeating Roland MacKenzie, Brown university sophomore, 10 and 9.

Watts was in champion form today. He won the medal with 78-76-75-73-302, good enough ordinarily to beat any field. He came through four rounds of match play without a close call.

JOSH DEVORE, GIANT PLAYER, STOLE FOUR BASES IN ONE INNING AGAINST BOSTON JUNE 20, 1912.

## DOPE FAVORS BIDDY TO BEAT SENATORS

"You tell the boys I might be pretty wild tomorrow, and they had better stand back from the plate."

"Oh, what's the difference? Your delivery wouldn't hurt anybody, even if it hit him in the head."

This bit of repartee was exchanged Saturday evening when Biddy Bishop, former manager of the Salem Senators and now pitcher for the Eugene team in the Willamette Valley league, and Frisco Edwards, present Senator manager, happened to meet downtown.

There was more along the same line, as there always is when these two prominent ball players get together; and while it sounded like kidding, there was real import behind it, for Bishop is slated to wear a Eugene uniform and take the mound against the Salem team this afternoon, and all Salem fandom is trying to dope the result.

## "OUR HELEN" WINS LAWN TENNIS TITLE

**WIMBLEDON, Eng., July 2.—(AP)—**The United States was presented with another overseas victory today by Miss Helen Wills, sole American to emerge undefeated from the singles of Wimbledon's famous lawn tennis tournament.

"Our Helen," with nerves cool, scored a decisive victory over the fiery Senorita Elia de Alvarez, Spanish champion, in straight sets at 6-2, 6-4, thus becoming the first American girl to take the title in 20 years. May Sutton, now Mrs. Bundy, achieved the honor in 1907.

It was a fitting climax for the comeback which has been staged by Wills since she was forced out of nearly all championship competition by illness of last year.

The Wimbledon title was taken by Henri Cochet, conqueror of William T. Tilden. His victory over Jean Borotra, another of the French "three musketeers," was a five-set uphill struggle similar to the semi-final match of Thursday, in which he eliminated the former champion. The score was 4-6, 4-6, 6-3, 6-4, 7-5.

It was a dismal day and rain always threatening. The attendants waited until the last minute before Miss Wills and Senorita De Alvarez started play, to remove the huge tarpaulin from the playing surface.

From the start of the match Miss Wills set a terrific pace, and at no time was the outcome in doubt.

## WILLS, UZCUDUN WILL MEET SOON

**NEW YORK, July 2.—(AP)—**Harry Wills, veteran negro heavyweight, and Paulino Uzcudun, Spanish holder of the European heavyweight title, will meet in a 16-round match at Ebbetts field, July 15, or 18, Promotor Humbert Fugasy announced today.

Difficulties in which Paulino has been involved with Massachusetts boxing authorities, over failure to fulfill a Boston contract have been straitened out, according to Fugasy.

## EDUCATORS VOTE FUNDS

**SEATTLE, July 2.—(AP)—**Directors of the National Education association voted unanimously today to provide a retirement fund for more than 100 association employees, and to conduct a national campaign to increase salaries of college professors.

## MANY TOURISTS STOP TO LOCATE IN SALEM

(Continued from page 1.)

with a party of five others of his family, is staying at the campground for several days while they visit relatives in this vicinity. The family used to live in Eugene, and visit western Oregon almost every summer to get away from the terrific heat of Arizona. Coming by way of California, and north on the coast route, they found roads in very good condition.

The records of the camp for Friday night showed 33 parties staying over from the previous night, and 25 new registrants. All the cottages and tents available were rented, and many were sent to other campgrounds where cabins were to be had.

## REVISED CHART, HOUSE NUMBERING NOW READY

(Continued from page 1.)

fusion had resulted from the remarkable lack of uniformity in house numbering in some sections of the city. The numbers on one street would be entirely different from those in the same block on the next street; and in some cases numbers were duplicated in dif-

ferent blocks and it was impossible for a stranger in the neighborhood to find a house by its number unless he traversed the street for many blocks.

About the nearest thing to being in five places at once would be driving a car that makes 203 miles an hour.—Detroit News.
