## State D. A. R. Plans Newberg Chapter

A chapter of the Daughters of the American Revolution probably will be organized at Newberg by September 1, the state society of the Daughters has announced, following the state board meeting held recently in Albany. Preliminary steps in the organization of a chapter have been taken by the Newberg women.

At the board meeting, presided over by Mrs. Gordon MacCracken of Ashland, state regent, it was reported that the total cash on hand in the state society's funds amounted June 1 to \$1468 and consequently the finances were considered in good condition.

It was reported that \$426.34 had been paid in for the University of Oregon fund. It was the opinion of the board that \$500 should be brought up to \$500 and the fund closed as the smaller chapters feel they cannot do more because of the other calls for funds that are being made. Ninety dollars having been voted in March by the conference for the marker on the relics case in the Salem state house, donations were raised to make the fund \$100 as that was found to be the price of a desirable marker.
