Just like that. There isn't much to it, except he significance. It means that ie Portland City league teams ben all over again, with no defeats enalked up against them, but also with no victories to their credit.

Here's the way they stood at the end of last Sunday's playoff game, in which the Salem Senators won the first half championship:

What makes it all the more ser-lous, the present schedule goes just "once around." so if the Senators don't stop the Tigers in this game, they may never be headed if they continue the same brand of ball they played in the first half.

However, Salem and Mt. Scott were prohibited from strengthening for this part of the season. while the other clubs were allowed to sign more mon; so some other team may get the honors.

NEW YORK, July 23 .- (AP)-After formally naming Jack Dempsey as the man who will fight Gene Tunney for the heavyweight championship this fall, Tex Rickard today dickered for matches that may lead another contender to a title shot in 1928.

Although Tunney's contract with the promoter called for selection of an opponent as well as the date and site of the champion's first defense of his title since 1925, Tunney agreed to a delay until August 5 in the carrying out of the latter conditions.

Rickard declared the fight will take place between Sept. 15 and 20, but where he did not know. No direct proposition has yet been made to take the match to Chicago, he said, despite strong re-ports that the ten round fray already had been allotted to the midwest metropolis the hope of achleving the first \$2,000,000 gate in fistic history.

After the conference with Tunney. Rickard sought to arrange a match between Jack Delaney and Paulino Uzcudun, Spanish woodchapper, who recently cut down Harry Wills, the giant negro. The elight heavyweight champion agreed to Rickard's terms. but Uzcudun would not sign without considering the matter for several days with his board of managers. Delaney agreed to forfeit his

175 pound title in order to take on Paulino and if victorious, meet Jack Sharkey late this fall. The Boston battler, who fell before Dempsey's crushing attack Thursday night, is ready for any match that will place him back in the title hunt. Rickard sald.

The matter will be taken before the New York state athletic commission next Tuesday. Rickard said, when Delaney probably will abdicate his title in favor of Mike McTigue, Celtic warrior, who was scheduled to fight the Bridgeport puncher for the championship at stadium on August 11.
