The house contains four rooms and breakfast nook, is double constructed, well built througout, plenty of builtins and beautifully finished. It is served with city water, electric lights and telephone, fully plumbed and lighting fixtures. It is located just at the city limits, north Salem's fastest growing section, has one-half acre of fine garden land which will almost produce the living for the family, with no city taxes. What you now pay for rent will pay for this beautiful home, the best savings account you ever tried and cost you nothing. I am building these houses continuously and selling them as rapidly as completed. I am completing four ready for occupancy. See me about them at once. A Masterpiece.

The great artist paused, brush and palette in the air.

"A masterpiece!" he exclaimed.

"But I don't like it one bit," said the beautiful co-ed. "I'd be ashamed for any of my friends to see it. You'll just have to do it over again."

This was the last straw. The old master became enraged. He threw his paints to the floor and shouted: "Leave my studio, young lady! I'll never paint another slicker for you as long as I live."
