Farmer Woman in Oklahoma

Praises Lydia E. Pinkham's Vegetable Compound Because It Gave Her Health and Strength

In a sunny pasture in Oklahoma, a herd of sick cows was grazing. They made a pretty picture. But the thin woman in the blue checked apron sighed as she looked at them. She was tired of cows, tired of her tedious work in the dairy. She was tired of cooking for a household of boarders, besides caring for her own family. The burdens of life seemed too heavy for her falling health. She had lost confidence in herself.

One day she began taking Lydia E. Pinkham's Vegetable Compound and her general health began to improve. She took it faithfully. Now she can do her work without any trouble, sleep well and is no longer blue and tired.

This woman, Mrs. Cora Short, R. 9, Box 257, Oklahoma City, Okla., writes: "Everybody now says: 'Mrs. Short, what are you doing to yourself? I weigh 135 and was weight before I took it was 115. I have taken seven bottles of the Vegetable Compound.'

Are you on the Sunlit Road to Better Health?
