## Radios, Phonographs, Bicycles, Knee-Kosters and Cameras

### TO AMBITIOUS BOYS AND GIRLS!

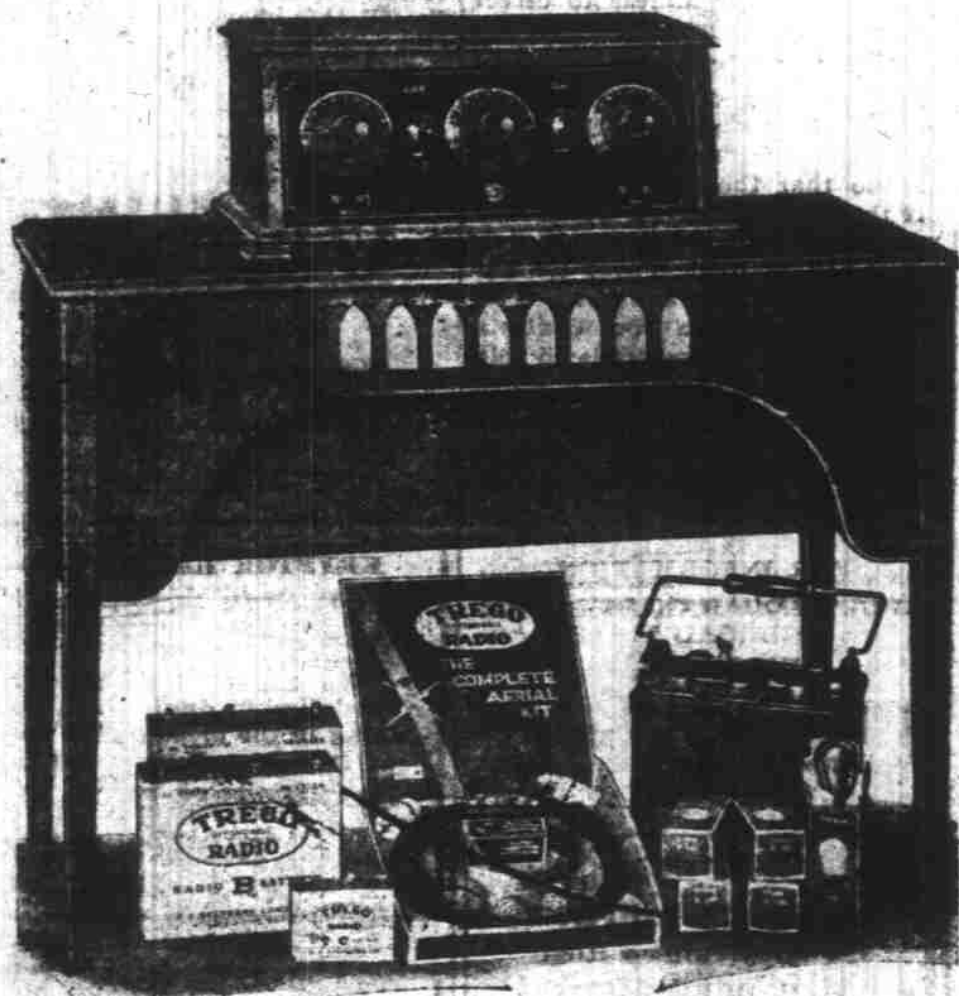

## TREGO T-R-F-5 CONSOLE RADIO

### The Ideal Complete Home Outfit Nothing Else To Buy

**Marvelous Radio Reception**  
The T-R-F-5 console radio is the result of many years' experience in radio building. A five-tube tuned radio frequency circuit is used, it is very selective, will tune through interference, local broadcasting and will separate stations completely.

**Long Range Guaranteed**  
Its range is almost unlimited and under practically all conditions coast to coast reception can be had on the loud speaker, and under favorable conditions, unbelievable distances have been recorded.

**All Accessories Included**  
Everything necessary for good radio reception is included in this outfit—a 6-volt 80-ampere non-breakable hard rubber case "A" battery—two 45 volt "long service" "B" batteries—a 4 1/2-volt "C" battery—five tested and matched 201-A tubes and a complete serial outfit consisting of lightning arrester, ground clamp, all insulators and plenty of both serial and lead-in wire.

**A Beautiful Combination**  
Here is the latest and best radio. A beautiful console table with large battery compartment and a special high grade loud speaker built-in. Both the receiver and the console are finished in a beautiful mahogany brown that will match with all surroundings.

**The Very Latest Design**  
You could not find a better outfit for the home—no batteries on the floor to spoil rugs—no unsightly wires—everything in its place—neat and compact. You can easily see the many advantages of the Trego T-R-F-5 console. The console stands 29 inches high, 38 inches wide and 18 inches deep.

**Beautiful Tone Loud Speaker Built-in**  
The loud speaker is a part of the console. The horn is made of non-vibrating composition and produces a very life-like tone. The bell of the speaker is covered with an attractive grill shown on front of console.

### BEAUTIFUL -- POWERFUL -- SELECTIVE
