New Models Lower Prices

Two new models, a sedan and brougham, have just been added to the Paige line at lower prices, making a Paige six available for the first time for less than a thousand dollars.

Both cars are attractive, fast, comfortable, long lasting; and they bring a new economy to Paige ownership.

The introduction of these new models follows the substantial improvements on all Paige sixes and eights, and lower prices on ten of the twenty models, announced August fifth.

Paige improvements, affecting both bodies and chassis, add materially to appearance, and to the traditional performance and endurance of all the cars. Prices now range from \$995 to \$2665, f. o. b. Detroit. We invite your inspection.
