ROZELLA BUNCH

First Meeting of Salem Woman's Club Held Saturday

The first meeting of the year of the Salem Woman's Club was very interesting and well attended considering the fact that many members of the club have not yet returned from their summer vacations. Mrs. F. A. Erickson, president of the club, presided.

Mrs. Martin Perrey led the members in singing the "Oregon State Song."

A few of the department chairmen reported for the year. Among them were Mrs. William Fordyce Fargo, chairman of the American Citizenship department, Mrs. Seymour Jones, in charge of Indian Welfare work, and Mrs. George H. Alden, chairman of the literary department. Mrs. Alden announced that club classes for the year will begin their work on the first Monday in October. The Book of the Month club is under the leadership of Dr. Martin Perrey. Dr. F. G. Franklin will be leader of the Current Events club.

Dr. Martin Perrey, who was the principal speaker of the afternoon, criticized in a clear and forceful manner, three outstanding books of the year: "Elmer Gantry," "This Believing World," and "Children of Divorce." The main thought of the discussion was not to accept or condemn blindly but to read and investigate and then judge, reserving the good and casting aside that which is worthless.

The club decided at this first meeting to sponsor a number of plays given by local talent and

home of Mrs. Mary Fox, 1566 North Fourth street.

Mrs. George F. Smith and Mrs. A. B. Straw are members of the social committee.

Miss Violette Peters and Walter Lamkin Married

Miss Violette Peters became the bride of Walter Lamkin at a beautiful ceremony performed in the First Evangelical church of Salem with Rev. F. B. Culver reading the service in the presence of one hundred friends and relatives of the bride couple. The church was transformed with palms and art baskets of autumn flowers. Cathedral candles burned on either side of the altar.

Preceding the ceremony, Miss Naomi Phelps sang "I Love You Truly." Mrs. Ethel Phelps played

the wedding march from "Lohengrin."

The bride, who was given in marriage by her uncle, Mr. William Hartman, was lovely in a robe de style gown of white satin trimmed with bands of pearls, and

a veil of tulle caught with orange blossoms. She carried a shower bouquet of white sweet peas and Ophelia roses.

Miss Esther Lamkin, a sister of the groom, was maid of honor. She wore rose georgette and car-

ried a shower bouquet of pink roses and sweet peas. Connell Ward acted as best man. Miss Elva Ault and Mrs. Alfred Laue were ushers. Immediate relatives and a group

Announcing- THE NEW ZEROLENE

To the motoring public of the Pacific West the Standard Oil Company of California presents The New Zerolene, "The Standard Oil for Motor Cars."

His new lubricant is the latest achievement in petroleum products of the Company's research laboratories. For more than two years Company experts have striven to produce a new and better lubricant for motor cars, particularly an oil to meet the requirements of the present-day automotive engine. The experts succeeded, and have created a modern oil for modern motor cars.

The New Zerolene has been most thoroughly tested in the laboratories and in actual service. So completely does it fulfill every possible function of a lubricant that the Standard Oil Company of California, in placing this product on the market, can confidently and seriously say that "money can't buy a better oil than The New Zerolene."

There is nothing more vital to the motor car than correct lubrication. The New Zerolene furnishes this—at high speeds, at low speeds, in cold weather and hot, under light loads and heavy—under every operating condition it gives a maximum of engine protection and of efficient engine performance.

The New Zerolene is a wholly distilled oil—by Company processes which take only the highest lubricating values from the best of California crude oils. Every drop is pure lubricant.

The New Zerolene "stands up" at any engine temperature.

The New Zerolene forms no hard carbon.

The New Zerolene does not "thin out"—when the crankcase is drained it is still "live" and "oily."

The New Zerolene is economical—in initial cost and in amount consumed.

The New Zerolene is made in three grades or bodies, No. 3, No. 5 and No. 7. There is a scientifically correct grade for every type and kind of motor vehicle. The New Zerolene is available at Standard Oil Service Stations and at 15,000 dealers and Correct Lubrication Specialists on the Pacific Coast, where Standard Oil Correct Lubrication Charts indicate which grade of oil each type and model of car requires.

Zerolene "F" for Fords, an oil especially manufactured to meet the demands of the Model T Ford, remains unchanged.
