PLAN TO RENEW SEARCH

Volunteer Party to Return into Mountains in Near Future

EUGENE, Sept. 13.—(AP)—While the search for Guy Perry and Henry Cramer, The Dalles youths lost in the Three Sisters area, has been definitely abandoned, a volunteer party will be in readiness to return there and resume the hunt as soon as an anticipated warm spell melts the snow that has fallen since the youths were lost on Labor Day.

This was announced tonight by Ray Conway, Portland mountaineer, who aided in the search.

In the meantime the ban on hunting in that region has been lifted and an influx of hunters is expected. Officials here tonight stated.

EDITORIALS OF THE PEOPLE

All correspondence for this department must be signed by the writer, must be written on one side of the paper only, and should not be longer than 150 words.

Judge Burnett's Classmates

While we are all lamenting the passing of our noted Geo. Burnett, it may be of interest to his many friends to know of his college career and graduating class and life-long friends. George Burnett graduated in 1873 from Christian college, Monmouth, Or., with five others in the Classical course, viz.: S. P. Campbell, Henry Churchill, J. M. Powell, Wm. Bradshaw and Horace Knox. Also four others, Glen Holman, Robt. Bean, S. D. Wallace and Robt. Hutchinson in the Scientific course.

This class of ten young men all took to the professions but one, S. D. Wallace of Eugene. Campbell and Powell graduated also in medicine. Bradshaw became professor in a California college, Churchill and Hutchinson were prominent school teachers in Oregon. Holman, Bean, Knox and Burnett took law for their life's work.

George is survived by only four of his class, Judge Bean, Glen Holman, Dr. Campbell and Dr. Powell. Bean and Holman are still in their chosen profession, while Campbell retired from the profession many years ago for other lines of business, and Dr. Powell after nearly 50 years, 30 of it in Spokane, has retired to his nut orchard, Monmouth Oregon. So much for one of our noted early colleges.
