STAGE ALL SET FOR ANNUAL STATE FAIR

(Continued from page 1.)

girls clubs. It was said that virtually every county in Oregon would be represented in the boys and girls club work.

Monday's program will be featured by automobile races to be held on Lone Oak track in the afternoon. There also will be the usual concerts, addresses and viewing of the exhibits. The annual horse show will open in the stadium Monday night.

Grange Day Set.
Tuesday has been designated as Grange Day. Prominent speakers have been provided for this occasion and it was expected that the program would be among the best of fair weeks.

On Wednesday, Salem day, all local stores, offices and shops will close in order that employers and employees may attend the fair. The program on Salem day will be featured by the Governor Patterson derby on Lone Oak track in the afternoon.

Thursday has been set aside as Portland day, Friday as Fraternal day and Saturday as Childrens day.

Every racing event has been filled and a number of special races probably will be arranged to accommodate belated entrants.

For the first time in the history of the Oregon state fair two tracks are available for racing. The new half mile track has been completed and is in readiness for use at this year's fair.

By using both the mile and half mile tracks the racing events will be expedited and there will be no unnecessary delays between heats.

Sheridan Band Present

The American Legion band of Sheridan, augmented by musicians from other parts of the state, will furnish music during fair week. There also will be on hand the drum and fife corps of the Grand Army of the Republic and other musical organizations. Besides giving morning concerts and appearing at the races in the afternoon the Sheridan band will play at the night horse show.

As at previous state fairs the two boys and two girls winning high scores in all club departments at the state fair will be entertained at a banquet to be held aboard the private car of E. L. King, superintendent of the Southern Pacific lines in Oregon. This banquet will be held on Friday night. Besides Mr. King the banquet will be attended by Governor Patterson and other state officials.

During the banquet the winning boys and girls will receive an invitation to pass a week at Crater lake next summer as guests of Mr. and Mrs. Richard Price. Mr. Price is manager of Crater Lake Inn. While at Crater lake watches will be given to the boys and

girls in appreciation of their work. For lovers of light entertainment there will be a large number of shows and free attractions on the fair grounds this year. Games of chance will be barred from the grounds and every effort will be made to give the public adequate protection.

The grounds were never more beautiful than at the present time, while the pavilions and other buildings have been renovated and placed in the best of condition.

With good weather prevailing the 1927 state fair should exceed all previous events, both with relation to exhibits and attendance.

TRANSIENT INJURED

LIGHTS OF CAR GO OUT, AUTO JUST BEHIND CRASHES

One McMann, address and initials unknown, is lying in a Salem hospital with a badly fractured arm and severe bruises, as the result of an automobile accident which occurred last night about six miles south on the Pacific highway.

McMann, a transient was riding with Walter Glasgow, northbound from Oakland, California, when the lights on the car suddenly went out. A deep ditch beside the road necessitated parking on the pavement, and before either could get out and run back to flag down on-coming traffic, a heavy machine belonging to B. O'Keane, 468 East Tenth street, Portland, crashed into the rear of the Glasgow auto, turning it over into the ditch, and pinning McMann underneath.

Glasgow told police he picked McMann up at Davis California, Friday evening, and that he had furnished him food along the road. McMann was said to be on his way to Tacoma, where he is believed to have a wife.

The accident occurred about 7:45 p. m., it was said. Passing motorists brought the injured man to Salem. Glasgow proceeded to Portland, where his wife is, by stage early today. He was but little hurt.

Doctor Found Women and Children Sick More Often than Men

As a family doctor at Monticello, Illinois, the whole human body, not any small part of it, was Dr. Caldwell's practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

J. B. Caldwell M.D. AT AGE 63

In the course of Dr. Caldwell's 47 years' practice (he was graduated from Rush Medical College back in 1875), he found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year his prescription was first placed on the market.

The preparation immediately had as great a success in the drug stores as it previously had in Dr. Caldwell's private practice. Now, the third generation is using it. Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it. Millions of bottles of Dr. Caldwell's Syrup Pepsin are being used a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Dr. Caldwell's Syrup Pepsin, and we have gotten many hundreds of letters from grateful people telling us that it helped them when everything else failed.

While women, children and elderly people are especially benefited by Dr. Caldwell's Syrup Pepsin, it is promptly effective on the most robust constitution and in the most obstinate cases. It is mild and gentle in its action and does not cause griping and strain. Containing neither opiates nor narcotics, it is safe for the tiniest baby. Children like it and take it willingly.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home—where many live someone is sure to need it quickly.

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.
