IL DUCE TO BE FATHER

New Arrival Expected Shortly In Family of Mussolini
ROME, Sept. 24.—The arrival of a new member of the Mussolini family is considered imminent, but the fact that Premier Mussolini, who expressed his intentions of being present at the event, is still in Rome and has engagements to remain here until Monday at least seems to indicate the probability of further delay.

Although the premier has expressed the desire that his next off-spring come into the world without fuss, thousands of persons all over Italy eagerly await word from Carpegna where Signora Mussolini is staying.

The first radio newspaper has been published and we suppose they will blame all the typographical errors on to static.
