

# FIGHTERS ALL SET FOR ARMORY BOUTS

**TONIGHT'S BOXING CARD**  
 Main event, 10 rounds—Ad Mackie, Portland, vs. Phil Bayes, Salem.  
 Semi-windup, 6 rounds—Ted Fox, Independence vs. Andy Joreg, Monitor.  
 Special event, 4 rounds—Raymond Snyder, Monitor vs. Eddie Graham, Salem.  
 Special event, 4 rounds—Tony Martel, Stayton, vs. Batling Florey, Independence.  
 Special event, 4 rounds—Eugene Warren, opponent not yet certain.

Ad Mackie and Phil Bayes are all set to step into the boxing arena tonight to decide which has the greater ability in exchanging fists. Both boys are confident of winning the main event at the armory tonight, and both intend to put up a terrific battle to justify their optimism.

Portland backers and Matchmaker Plant believe Mackie will get the nod over Bayes tonight, but Phil is equally emphatic in his belief that Mackie will not. Bayes isn't underestimating his opponent, he says, but he has been training carefully for the past two weeks in preparation for the event, and he indicates that he would not have signed to meet Mackie, had he not believed himself able to win.

Mackie will arrive here this afternoon for a short work-out in the armory, before entering the ring against Bayes.

Raymond Snyder, of Monitor, and Eddie Graham, have been signed to box a four round special event. Graham, who is a pupil of Bayes, recently earned a nod over Snyder at Independence. These boys are popular fighters wherever they appear.

Tony Martel, of Stayton, will box four rounds with Batling Florey. Martel, a knock-out over Danny Morrison of Independence at a recent bout in that city, and is rated as a tough opponent.

Eugene Warren has been signed to meet somebody tonight in a four round event. Matchmaker Plant was unable last night definitely to announce Warren's opponent, but he will be a worthy competitor.

The semi-windup on the bill between Ted Fox and Andy Joreg is arousing considerable interest. Fox drew a decision over Joreg at the recent Independence show, and Joreg is said to be out for retaliation. Whatever happens, these boys will put up a great show.

The way seats have been going the past few days, there will be a great crowd, augmented in great part by Portlanders who will be in Salem for Portland day at the state fair.

The bouts will start promptly at 8:30 p. m. Stanley Frye, local boxing instructor, is the official referee.

The second event of the program, entering the splendid halcyon pair, Stella Vane and Buckley Vede, was scratched much to the disappointment of a number of horse lovers who had hoped to see Stella Vane, a horse that has not yet been shown in the local tank ring.

A game of musical chairs, always received enthusiastically by the crowd was added to the program, which closed with a colorful dirge given by the members of the Portland Hunt club under the direction of Harry Kerron. Genevieve Howard of Salem and Sher-

### HUSBAND GETS ALIMONY

LOS ANGELES, Sept. 28.—(AP)—Mrs. Daisy Lorentzen today became a claimant to the distinction of being the first woman to pay her husband alimony under the new California law. By so doing she exceeded the sad distinction of being the first woman in the state to be punished for contempt of court because of delinquent alimony payments.

Mrs. Lorentzen was held guilty of contempt of court yesterday when it was shown she had failed to obey a \$50 a month alimony order won by her husband, H. J. Lorentzen. Lorentzen, who obtained the alimony award on testimony that his wife always had taken his earnings as a cattleman leaving him penniless, showed in court that she had a \$4,000 bank account.

She was ordered to appear in court today for sentence but before the time of her scheduled appearance, her attorney turned over the delinquent \$50 and counsel fees to the court.

### THEATER SHOWS FIGHTS; RAIDED

MANAGER AND 7 EMPLOYEES ARRESTED IN FRISCO

Program Stopped Just as Second Round Started; Money Given Back

SAN FRANCISCO, Sept. 28.—(AP)—A San Francisco theater manager and seven of his employees were arrested here today on federal warrants, charging them with violating the interstate commerce act because they were showing the Tunney-Dempsey fight films. Tex Rickard, fight promoter was also named in the action and a telegraphic warrant sent to New York for his arrest.

The arrests were made under a law prohibiting transportation of fight films from one state to another.

Assistant District Attorney Eugene Bennett said today that after the government had surveyed the case further it may arrest Gene Tunney, Jack Dempsey and their managers and that they might be brought here for trial.

Those arrested here were W. C. Cullen, manager of the Capitol theater, where the film was shown; Sol Pincus, press agent; James Haswell, ticket taker; Mrs. Mary Rose, cashier; Betty Baker and Joe Wells, ushers; Myra Merritt, picture operator.

The arrests were made just as the picture ran into the second round of the fight. More than 300 persons were in the theater at the time. The picture was stopped and money on tickets refunded to the spectators.

### Nurse and Rector Very Chummy, Say Attorneys

ENID, Okla., Sept. 28.—(AP)—Evidence to show affectionate relations existed between the Rev. Charles Bailey and Miss Mary Atkinson, 26 year old nurse, was introduced today at the preliminary hearing of the young woman on a charge of poisoning the minister's 18 year old daughter, Mary Jane.

Stewart Bailey, 16, brother of the dead girl, testified that on more than one occasion he saw the nurse kiss his father. This was soon after the death of the minister's wife, which preceded that of Mary Jane by less than two weeks.

Three doctors, testifying for the state, asserted that Mary Jane Bailey showed symptoms of having been administered an overdose of mixed drugs. The girl died early this month after being attended by Miss Atkinson. The other Bailey children became mysteriously ill but recovered. Miss Atkinson had been a guest in the Bailey home for some time before the death of Mrs. Bailey and her daughter.

The state alleges Miss Atkinson killed Mary Jane because the 18 year old girl objected to the nurse's attention to Dr. Bailey.

### WINS ON FOUL

BELLINGHAM, Wash., Sept. 28.—(AP)—Madison Dix, Bellingham, 140 pounder, won on a foul in the fourth round of a scheduled six-round main event of a boxing program here tonight after Hal Reese, negro of Portland, had been warned twice by the referee.

### ABIE'S IRISH ROSE PLEASURES IN SALEM

Play Has Legitimate Reasons for Record Run in New York, Verdict Here

By Ralph C. Curtis

Just what was the appeal that kept "Abie's Irish Rose" on Broadway week in and week out for seven years? That was the question in the minds of the crowd of Salem people who turned out to see the play at the Capitol theatre last night, and they went away satisfied that New York audiences know real entertainment, in spite of all that the critics have hinted to the contrary.

Of course, Jewish and Irish people are not lacking in New York, and the racial appeal undoubtedly had much to do with the play's popularity. Anne Nichols knew how to embroil the two races—or nationalities if you prefer—make fun of them both and still wind up with everybody satisfied. That very thing is what stirred the wrath of the learned critics.

But there is much more to "Abie's Irish Rose." There is a steady fire of real comedy, and a perfectly balanced plot. When nothing but a pair of twins would preserve the balance of the thing, the author introduced twins.

More important than all that, however, is the appeal to racial and religious tolerance which raises the play from mere entertainment to the status of a stage sermon—and the appeal is based on real, justifiable sentiment, not on sentimentality as the cynical paragraphers intimated.

The cast that presented the play here handled the fast moving story with exceptional ability, with special honors falling to James R. Waters and Ada Jaffee as the Cohens, and F. B. Hersome and Ray L. Royce as the kindly rabbi and priest, respectively.

### BEARCATS CRIPPLED FOR HUSKIES GAME

As though tackling a big school like University of Washington was not enough, the Willamette university Bearcats which have suffered casualties which make their showing against the Huskies Saturday even more dubious than it appears on the face of the matter.

Three men who had been counted on to be mainstays of the backfield and two of the most promising end candidates, will be unable to play; they are out so definitely that they will not even make the trip to Seattle.

These are McKenzie, Lang and Zeller, backfield lettermen; Charles DePoe and Glass, ends. In addition Mort, who has been playing regularly at center, is injured, but may be able to play part of the game.

Wednesday's long scrimmage practice, the last before the game at Seattle Saturday, showed that the squad is capable, in spite of the list of injuries, to put up a terrific fight against the Huskies, possible to hold them to something like the 28 to 0 score that they ran up last year after being held scoreless for nearly three periods.

But the Bearcats, with plenty of promising material, are developing slowly this year—more slowly than they did last year, because Coach "Spec" Keene and his assistants, Joe Kasberger, "Red" Denham and Leslie Sparks, are planning the Northwest conference season and not worrying about what the Huskies may do. It is also true that more new men are being used in the regular line-up than were at this time last year, when Keene, working alone, had no alternative but to rely on the lettermen that Coach Rathbun had bequeathed to him.

Keene was unable last night to announce his starting lineup, nor even the list of men who would make the trip. Twenty-two players will be taken in addition to Keene, Graduate Manager Sparks and William White, manager of football. The squad will leave Salem at 6:07 o'clock Friday morning.

### FILM SHOWN IN DETROIT

Championship Bout Between Tunney and Dempsey Displayed

DETROIT, Sept. 28.—(AP)—Motion pictures of the Dempsey-Tunney fight went on display in a dozen downtown theaters here today despite threats of federal action. Owners declared there is nothing in the federal law that prohibits interstate transportation of the films, to prevent exhibition of prints made after the original films reach the state.

The original film reached here last night and after a number of prints were made the transported film was surrendered to federal authorities.

### Story Told Here of 17 Blooded Horses Killed

With 28 minutes in which to make sliding 30 miles distant, before a limited reached it, a Canadian National train bearing a load of blooded horses and race track men bound for the Winnipeg races leaped the track and crashed over an embankment. Seventeen race horses were killed, and many others severely injured.

This was the story told yesterday at the fair grounds by L. Galbraith, a former Salem man, who has a number of entries in the running races this year. The accident occurred June 11 near Alsace, Alta., a few miles from Calgary. Galbraith sustained three broken ribs, a broken hand, and a wrenched back, and was the only one of 170 men on the train seriously injured.

Galbraith was associated in Salem some years ago with A. C. McLaughlin, of Independence, in the race horse breeding business, with headquarters at the fair grounds. Three years ago the grounds were closed to race horses, and Galbraith moved to Canada, where he has taken up a similar occupation.

The Canadian National train, according to Galbraith, was endeavoring to reach Winnipeg ahead of a C. P. R. train also bearing a load of horses, so that the best accommodations could be secured. The train was speeding at a rate of 60 miles an hour when it jumped the track on a slight curve, suffering of the horses

was a pathetic sight, heads and out of the shattered cars. Some legs of several of them sticking were thrown clear for a considerable distance.

Galbraith has a number of snapshots which portray graphically the scenes immediately following the wreck. Most of the men on the train were on the tail end car which was not shattered, and so escaped injury.

The old race track man has been connected with racing at Salem fairs since 1890. He was part owner of Vulcan, a gray horse which one time established a new record here in a one mile hurdle race. He declares he helped train Phillips, the well known jockey who won eight straight races in California and Nevada some years ago. He also helped to break Louie Lachmund, a running horse entered in races here for race track purposes several years ago. The horse is now said to be 14 years of age, and still in the running.

Transparent velvet is deemed extremely important in some of the collections of frocks for the new season.
