

Grim Spirit of Desperation Fills W. U. Grid Camp on Eve of Game

FAST IDAHO TEAM COMES TOMORROW

There's a spirit of desperation noticeable on the Willamette university gridiron practice field this week—a spirit which has had no counterpart in several seasons past.

In fact there's nothing comparable to it since the period—a number of years ago, when Willamette scheduled games on the home field with the then formidable Multnomah club, and set out to win them despite the terrific odds against the Bearcats in weight and experience.

Just such a prospect faces the Bearcat coaches and players this week for tomorrow the grid machine of College of Idaho, powerful and confident, will invade Sweetland field. The odds are just about as great as they were when Willamette lined up against those famous all-star eleven of other days, yet the local Methodist eleven must win or it forfeits its chance to finish among the leaders in the northwest conference race.

At the same time that Coach "Spec" Keene and his assistants are drilling their men relentlessly in order to present a finished smooth "work" machine against the Idaho weight, and speed, they are also carefully nursing the team's morale, keeping in mind that less than a week intervenes between two hard fought contests. For this reason, scrimmages practice has been negligible this week, and it is calculated that the team will be on edge for a sustained battle against the Coyotes.

The two newly arranged backfield combinations have been drilled incessantly to attain the required precision, and despite pessimistic verdicts voiced by the coaches, the improvement is plainly noticeable. There is, of course, still plenty of room for improvement and coaches don't believe in stopping short of perfection, but at any rate, the teamwork will be smoother Friday than ever before this season.

Injuries to Reggie DePoe and Mumord at Tacoma last Saturday resulted in a serious wing problem for the Bearcat coaching staff. Haldeane is the only regular experienced end who remains sound of limb; Cardinal is a fast man who is a flash on offense but his limited experience may prove a handicap on defense.

For this reason Ruch, who played end last year, has been shifted back to that position for the present, and Rogers, who was a fixture at center until he was hurt last week, is also being tried there.

FROSH PICKED FOR W. S. C. MIX

EUGENE, Oct. 19.—(AP)—Nineteen University of Oregon freshmen gridmen were named by Coach Wm. J. Reinhart today to go to Pendleton for the first conference game of the Webfoot yearlings with Washington State college freshmen Friday. The squad was chosen after a stiff scrimmage session into which almost all of the frosh were injected.

Those who will make the Pendleton trip are: Laing and Chap-

COLORFUL WARFARE WAGED BY ROOTERS

Retaliation—a yellow and white form of it—has been taken by Eugene high school students for the mutilation of their numeral "E" on the butts near that city, for which Salem students are declared to have been responsible.

When students reached the high school yesterday morning, blotches of paint were found on the entrance, sidewalks, doors, windows, adjoining buildings. The initials E. H. S. were prominently displayed.

The warfare between Salem and Eugene students, which has been an old pastime, cropped out this year because of the inability to line up the annual football game. Increased at what they termed Eugene's unbecomable attitude in refusing to come north for the game for a \$90 guarantee or to pay Salem the same amount to go south, a group of the local students journeyed to Eugene night before last and defaced the numeral.

Accepting the challenge, the Eugene lads are believed to have come to Salem in the early morning hours yesterday to dash the paint. Patches of it were still wet when school began this morning and the lettering indicated that the work was done in great haste.

Sanitron initiators will be required to clean off the sidewalks and the buildings.

ROOTERS TAUGHT INSIDE FOOTBALL

Blasphemy football practices for the purpose of instructing students in general football etiquette have been inaugurated by the Willamette university coaching staff.

The plan is to have the entire student body present at certain practices and have the coaches, with the aid of the football team, explain the various plays, method of scoring, and the art of cheating at the proper tense moments of a game.

This plan has been successfully carried out for a number of years in all the large colleges, and adds greatly to the spectators' understanding and enjoyment of the game.

WARNER MAY GET ANOTHER SURPRISE

OREGON STATE COLLEGE, CORVALLIS, Oct. 19.—(Special)

When Coach Pop Warner of Stanford made his early season predictions concerning conference teams, he felt woefully sorry for the Oregon State team for "Pop" said that the Aggies have lost virtually all their season material coming up this year.

However, Warner made this statement before the U. S. C. game when the Orangemen held the Trojans to a 13 to 12 score and outplayed them throughout the major portion of the game. The next Saturday, the Cardinals met the same Trojans team and were held to a 13 to 13 score.

This may have been a surprise for "Pop" but Coach Paul Schissler has a few more surprises up his sleeve to spring on the "Old Fox" Saturday. Every man on

BRAVES DESIRE YOUNG MANAGER

NEW YORK, Oct. 19.—(AP)

Castling about for a new manager of the Boston Braves, it was understood today that owners of the club had reached a decision it will be better to engage a younger leader, in preference to hiring a veteran like Tris Speaker.

It seems fairly well established that Speaker, while under consideration for sometime, has been dropped from the list of possible successors to Dave Bancroft at the Boston helm. Color was given to the story of Speaker's possible engagement by the fact Tris always

TURKEY DAY GAME MAY BE SIGNED UP

A letter was dispatched yesterday to the Medford high school athletic coach by local high school officials asking a football game in Salem for Thanksgiving day.

The Medford officials were asked to state what guarantee would be required to bring them north for the game which will be one of the most important high school games this year. It is believed that terms can be agreed upon without difficulty, as a number of games which Medford had scheduled have been canceled.

IN years of selling shoes to the men of this city, we've never seen shoes so smart in style—so matchless in fit and comfort—so accurate as to lasting and making—as the new Fall Nettletons.

Here are the sort of shoes well-dressed men like at first glance—and praise later, after long hard service has proven their worth and sound economy.

Whether you need new shoes at the moment or not, it will be a pleasure to show you Nettletons. For some day, we think, you'll want to enjoy a pair.
