# WHAT A REXALL ONE CENT SALE IS

It is a sale where you buy an item at the regular price, then another item of the same kind for one cent. As an illus-

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1 cent. It costs money to get new customers, but the sacrifice in profit is justified, knowing the goods will please you.
