

Early Fumble Paves Way For The Dalles Victory Over Salem High

GAME HARD FOUGHT FINAL SCORE 7 TO 0

THE DALLES, Ore., Nov. 11.—(AP)—A Salem high fumble on the first play after kick-off paved way for a touchdown by The Dalles in the opening minutes of the Armistice day game here this afternoon, and enabled the Mid-Columbiaans to defeat the strong Willamette valley team, 7 to 0.

The Dalles recovered the oval and Disney, left halfback, made a beautiful pass over the goal line to George for six points. George converted.

The remainder of the game was played largely in the middle of the field, neither team making a serious threat.

Tempo, Salem's big quarterback, replacing Kelley in that position early in the game, uncovered a passing attack. In games to date, Salem has not used aerial tactics to any considerable extent and some long gains on throws to Backe, Salem fullback, were made, before The Dalles recovered from the surprise.

George, Nichols, and Miller, tackle, were the most consistent players for The Dalles. Nichols excelled at broken field runnings, and Miller did much to stop the Salem backfield plungers.

COUGARS TIE WITH HEAVY IDAHO TEAM

PULLMAN, Wash., Nov. 11.—(AP)—Washington State college and the University of Idaho came through their joint homecoming game on Rogers field this afternoon with a draw decision. The invading Vandals put over a touchdown in the first period and in the third the Cougars matched it when the Idaho quarterback lost a punt that rolled over his own goal line for a Washington State touchdown. Each made the extra point and the final score was 7 to 7.

The game, witnessed by some 15,000 spectators, the largest crowd that ever saw a football game in the inland empire, was played on a slippery field and was characterized by kicking throughout its course. The Giant Vandal line and heavy backfield was matched by the lighter Cougars alertness and ability to follow the ball and particularly by the brilliant work of little "Butch" Meeker, the Cougar quarterback, in returning the Idaho punts.

Burgher of Idaho and McDonald and Horan of Washington State found plentiful opportunities for thrilling kicks.

Idaho had the better of the argument on first downs, having made 10 of them to the Cougars' two. Washington State punted 23 times for an average of 41 yards, while Idaho averaged 40 yards for each of its 19 punts.

The lineup and summary:

IDAHO (7)	WASH. STATE (7)

crossed the goal line twice on sensational plays only to have the ball called back on off-side penalties. One of the disallowed touchdowns was the result of a beautiful 32 yard zig-zag run through the center of the Webfoot defense. The other came on a 37 yard pass.

Oregon Scores Last

In the fourth period both teams scored, the Aggies making the first touchdown. The play was the most sensational of the game, Maple grabbing a punt on his own 25 yard mark and racing 75 yards through a broken field behind a great mass of interference for the score. He added to the feat by converting the point after score. Oregon's lone tally was made shortly before the end of the game when the Webfoots tried vainly to overcome the long lead with a barrage of forward passes. A 40 yard heave from Ira Woodie, quarterback, sailed into George Burnell's arms, and Burnell whirled 37 yards for the score.

Summary:

Aggies (21)	Oregon (7)

HUSKIES GATHERED FOR ANNUAL CLASH

BERKELEY, Cal., Nov. 11.—(AP)—A mighty Washington team laid siege at the stronghold of University of California's Golden Bear tonight.

Arriving here today the Washington Huskies rambled through a two hour secret practice and were pronounced fit by Coach Enoch Bagshaw. Tomorrow they tackle California in a game commanding widespread interest, although both teams have suffered one conference defeat.

On the outcome of tomorrow's game depends the coast conference hopes of both universities. A victory for Washington, another over University of Southern California Dec. 3, and defeat of Stanford by California Nov. 19, will give the Huskies a claim to the 1927 championship. California follows see a conference title by victories over Washington and Stanford providing Washington also loses to Southern California.

Stanford and Southern California previously squared, which outtraced Stanford last week only to lose through fumbles and bad playing judgment, is favored to nose out California tomorrow. Bear supporters, however, see victory ahead through the same medium that gave Stanford its win.

Officials in charge of the game have made arrangements to accommodate a crowd of 60,000 or upwards.

WILLAMETTE'S SPEEDY BACKS ROUT LINFIELD

feet. Phil Warren started it off with a punt return of 33 yards. Then came the well-executed hide-out sneak pass play over right end for a gain of 35 yards. A pass from Ed Warren to Hickman made another 10 yard gain, and Agee and Ed Warren opened up a line-plunging attack which took the ball over in three plays. Linfield's try-for-point was blocked.

Both teams threatened once each in the first half. From their own 19 yard line, the Wildcats executed three plays—a 13 yard pass, a 10 yard trick play, and a right tackle punch—for a total gain of 33 yards to the Willamette 44 yard line. They were forced to kick when the Bearcat defense stiffened.

The Bearcat first half threat was a place kick from the 20 yard mark which went wide, after in advance from the Willamette 18 yard line. Another place kick from M. Depoe's toe was attempted in the third quarter. It fell short of the posts.

Season's Best Game

It was without doubt the best game of the season on the local field. Considering the weakened condition of the squad, the Bearcats played a remarkable game. Quarterback DePoe seemed to select the right plays for the right time, and the uncertainty near the opponents goal line evidenced in other games was gone.

Little "Dutch" Deetz was the greatest ground gainer for the Bearcats. He toted the ball the biggest share of the time in the first half, and gained consistently through the Linfield middle section.

Only two fumbles marred the game, despite the wetness of the field. Willamette capitalized on one of these when a Linfield man fumbled a Bearcat kickoff, and Reggie DePoe dived under him to recover on the Wildcat 30 yard line, late in the fourth quarter.

Admits W. U. Better

The Bearcats had a great advantage in the punting department. They booted the ball ten times for an average distance of 38 yards, while the Wildcats gained an average of only 33 yards on 15 punts.

The Wildcats completed seven out of 18 attempted passes for a gain of 105 yards, while Willamette completed six out of nine for a gain of 96 yards. One of the Linfield passes was intercepted.

Six penalties cost Willamette a loss of 40 yards. Linfield was penalized twice for 20 yards.

"Willamette clearly out-played us," declared Coach Wolfe, after the game. "It is the only team that has done so this year. The Bearcats are stronger than Whitman."

Lineup and summary:

McMinnville High Defeats Amity Team By 13-6 Score

McMINNVILLE, Ore., Nov. 11.—(AP)—McMinnville high school's football team turned back the scrappy Amity eleven here today with a score of 13 to 6. A pass gave McMinnville a touchdown just before the first half ended, and another pass put over the winning touchdown in the last period after Amity had started the second half with a 40-yard return from kick off and later tied the score.

Portland Fighter Takes Verdict Away From Gorman

EUGENE, Nov. 11.—(AP)—Bob Mariels, 185 pound Portland slugger, won a hair line referee's decision from Nalls Gorman of Hood River in the ten round main event of the armory fight held here tonight. In the semi-windy Floyd James, Oakland, Cal., heavyweight, won a six round decision from Del Wolf of Great Falls, Mont.

PRESNO, Cal., Nov. 11.—(AP)—The California Aggies defeated Fresno State college 12 to 7 in a hotly contested Armistice Day game here today.

Sports Done Brown

By Norman E. Brown

The recent purchase of the Cleveland Indians by Alva Bradley and associates places that club in the list of big money clubs. For the first time the club is owned by men who can match dollars with the owners of the Yankees, Giants, Cubs and Browns in buying players and building teams.

If money can purchase a winning club in Cleveland that town ought to have one within the next two or three years.

The New York Yankees, champions of the world, are owned by Col. Jacob Ruppert, millionaire brewer. Originally Ruppert shared with Col. T. H. Huston the control of the team, but several years ago bought him out. Ruppert has enough money apart from the millions the Yankees have netted him to "play" with baseball.

The controlling and important interest in the New York Giants is held by Judge Charles Stoneham, millionaire broker. John McGraw, of course, is the guiding genius of the team, as far as its direction is concerned, but Stoneham is the man behind the pocketbook.

William Wrigley, multi-millionaire chewing gum man, has spent huge sums to build a winning team out of the Chicago Cubs, and has millions more to toss into the hopper at Joe McCarthy's request. The flirtation with the pennant last season has made Wrigley more eager than ever to land one.

The St. Louis Browns have given little indication of recent years that they are backed by big money, but the fact is that Harry Sinclair, multimillionaire oil man, is the silent partner with Phil Ball.

These four clubs may be ranked as the big money clubs up to the recent deal which placed the Indians on the list.

Alva Bradley and his brother, in the group also, are big real estate operators and promoters. John Sherwin is a millionaire banker. His father is chairman of the board of directors of one of the biggest banks in the middle west and Sherwin himself is an officer.

Not only that, but the men themselves are going into the baseball business with the thought of turning over all revenue from the team into rebuilding it for the next few years, a policy which can't be followed under the ordinary stockholder organizations.

Of course other clubs in both leagues have prospered. The Philadelphia Athletics, under Connie Mack, have netted Connie and the Shlbes generous returns over Connie's career as pilot.

The Washington club, after many lean years, paid handsome dividends during and since the pennant winning days of 1924-25.

The Detroit ball club has always been a paying proposition, thanks to Hugh Jennings and then Ty Cobb, but there is no desire to toss reserve funds into the breach with abandon to give Moriarty a victorious ball club.

Sam Breadon, who started his baseball career with a couple of thousand dollars' worth of stock in the St. Louis Cardinals, has realized on his investment. The championship year increased his personal fortune considerably.

Barney Dreyfuss, owner of the Pittsburgh club, has made money in baseball, as well as other ventures, but his pennant winning teams have not netted him a vast fortune, by any means.

The Yankees, Giants, Cubs, Browns and Indians have the money.

It will take money—in the American league—to revive competition in that circuit, short of the next three years. The new money behind the Indians and the announced intentions of the owners presages better days for the fans of that town.

45,000 At Berkeley See Army Even Tie Navy

BERKELEY, Calif., Nov. 11.—(AP)—Service teams of the Army and Navy battled to a 6-6 tie here today before a crowd of 45,000 persons.

A brilliant military spectacle preceded the contest with army regiments and navy units passing in review before Governor C. C. Young, Major General John L. Hines, commander of the Ninth Corps Area, and Rear Admiral Thomas Washington, commandant of the Twelfth Naval district. A 21 gun salute, that made University of California memorial stadium reverberate, was given before the contest.

Eugene Eleven Defeated By Fast Hood River Team

HOOD RIVER, Ore., Nov. 11.—(AP)—Hood River high school defeated Eugene high 6 to 0 here today in one of the major games of the season. Ryerson scored the touchdown for the local eleven. The only completed passes of the game were two made by Eugene.

UTAH AGGIES BEATEN

DENVER, Nov. 11.—(AP)—The Denver university plowboys trounced the Utah Aggies 13 to 0 here today in a fast Armistice Day game. The Aggies fought gamely but were outclassed by Denver.

EASTERN GRIDIRON CHAMPIONS CLASH

NEW YORK, Nov. 11.—(AP)—Championship hopes hung in the balance tonight as eastern football teams all along the line mobilized for the most important battles of the season on the morrow.

Renewing a rivalry dating back to 1873—the oldest of the day—Princeton's unbeaten and undefeated eleven prepared to tackle Yale at the huge New Haven bowl in a struggle for survival among the top teams of the east. Stung to fighting pitch by loss of its ace, Bruce Caldwell, through eleventh hour ineligibility, Yale tonight was an even choice to stop the Tiger in a battle before 76,000 spectators.

With promise of equally as large crowd at the Yankee stadium, the light cavalry of Notre Dame deployed for battle with the heavy howitzers of the army in one of the most colorful intersection spectacles of the year. Army has been beaten only by Yale, and Notre Dame's single sign of human vulnerability was a tie with Minnesota last Saturday.

Eastern football will be pitted against western in two other battles of giants—the Navy against Michigan at Ann Arbor and unbeaten Pittsburgh against Nebraska on the home field of the Panthers.

With the fires of ancient rivalry burning more fiercely than ever Dartmouth's powerful array that was halted only by Yale takes on its old adversary, Cornell, at Hanover; rejuvenated Pennsylvania entertained Columbia; Harvard yards for the touchdown.

DALLAS HIGH TIES WITH INDEPENDENCE

INDEPENDENCE, Ore., Nov. 11.—(Special)—Dallas high school and Independence high school battled to a 6 to 6 tie score here today in a tight, thrilling game. Independence led 6 to 0 until the fourth quarter when Dallas made large gains with a trick end run play, and took the ball over. Lyle Moore starred for the Independence players.

The teams are coached by brothers—Gilbert Loy and Albert Loy.

PASSING WINS FOR C. P. S. 11

FOREST GROVE, Ore., Nov. 11.—(AP)—After trailing Pacific university for three periods, the College of Puget Sound unleashed a tremendous drive in the last quarter of the homecoming football game here today and defeated the Forest Grove team 12 to 7. Tatum, who replaced Ferguson at right end for Puget Sound, was responsible for the winning score. He hauled in a pass and ran 25 yards for the touchdown.

COYOTES CLINCH CONFERENCE TITLE

BOISE, Idaho, Nov. 11.—(AP)—College of Idaho Coyotes remained undefeated in the Pacific northwest conference today, defeating the only hitherto undefeated conference eleven, Whitman college, 12 to 0, in a game featured by brilliant defense play of forward walls. Except for two touchdowns from drives, the College of Idaho and last minute aerial attack by Whitman, play was in midfield, with neither team able to advance the ball beyond the 35 yard line.

A blocked Whitman punt in the first quarter paved the way for the first Coyote touchdown.

Again early in the fourth quarter Whitman's fumble was recovered by the Idaho team on the 40 yard line and the Coyotes made the most of their opportunity by line attacks to the five yard line, from which point Dille smashed over for the second touchdown.

MONTANA STATE BEATS WYOMING

SHERIDAN, Wyo., Nov. 11.—(AP)—A blocked kick gave Montana State a victory over Wyoming here today when the Bobcats struggled to victory on the field of mud, six to 0.

A kick by George of Wyoming was blocked in the shadow of Wyoming's goal post early in the first quarter. The ball rolled over the Wyoming goal line and Olsen of Montana fell on it for a touchdown. Voght failed to kick goal.

DAVIS CUP RULINGS CHANGED BY FRENCH

NEW YORK, Nov. 11.—(AP)—Radical changes were disclosed today in the regulations for the Davis cup competition, effective next year under French control and involving advancement of the whole playing program to much earlier dates than previously.

Although the United States Lawn Tennis association has received no official notice of the changes, it is assumed that French has received consent of the majority of participating nations to close the entries on January 3 or 9, and start the elimination play around May 1, reaching a climax with the challenge round at Paris the end of July. Such consent is necessary for the Davis cup rules.

During the past seven years in which the United States has handled the challenge round, it has been customary to close entries on March 15 and hold the challenge round the second week in September.

The challenge round in Paris will be held on dirt courts for the first time in Davis cup history but this is not expected to be a disadvantage to American players, if they reach the finals. Although the chief American championship are played on grass courts, more than 90 per cent of competition in the United States is on dirt, clay or other hard courts.
