## GIRLHOOD TO MOTHERHOOD

### Iowa Woman Found Lydia E. Pinkham's Vegetable Compound Always Helpful

Vinton, Iowa.—"When I was seventeen years old I had to stay at home from school. I was so weak, I suffered for about two years before I took Lydia E. Pinkham's Vegetable Compound, then I picked up one of your books and read it. I began taking the medicine. Now I am a housewife with six children, and I have taken it before each one was born. I cannot tell you all the good I have received from it. When I am not as well as can be I take it. I have been doing this for over thirteen years and it always helps me. I read all of your little books I can get and I tell everyone I know what the Vegetable Compound does for me."—Mrs. Frank Sellers, 510 7th Avenue, Vinton, Iowa.

Many girls in the fourth generation are learning their own personal experiences the beneficial effects of Lydia E. Pinkham's Vegetable Compound. Mothers who took it recommend it to their daughters as a dependable medicine.

## Officers of Standard Bearers Have Initiation Services

The Standard Bearers' Class of the First Methodist Church met Monday evening at the home of Mrs. A. A. Lee. Miss Isabel Huston, Miss Lorraine Robins, and Miss Fern Colwell were assistant hostesses.

The retiring officers, each carrying a lighted white candle, formed a line of one side of the round table which was centered with a tall red candle. The new officers stood on the other side, carrying unlighted blue candles. As they were installed each officer in turn lighter her candle from the red one in the center of the table.

## Music Department of Salem High School Will Present Program

Elaborate preparations have been made for the Musical "Extravaganza" which will be given this evening at the Salem High School.

The art department of the school, under the instruction of Miss Brauti, has contributed some beautiful work in stagecraft.

Miss Stone and her classes in sewing have made character costumes for "Dance Macabre." Two amateur electricians, Calton Roth and Kelly Moore are to be in charge of the lighting and some clever effects will be developed by these splendid workers.

An array of talent will be unfolded in the course of the evening's program as vocalists, fun-makers, and dancers make their appearance. The school orchestra will open the program and will contribute extra numbers. Victor Wolfe will be heard in solo with orchestral accompaniment.

Miss June Philpott is acting as faculty manager. Ivan Kafoury will be head usher.

The program will begin promptly at eight o'clock.

heard in the California metropolis three times before the first of the year, and his Pacific Coast tour is one of the most heavily booked of any artists appearing in the west this season.

There are many reasons for the great popularity and the high place in the affections of the American people held by Edward Johnson. Not the least of these is the fact that upon his return to America after many seasons of brilliant triumphs in Italy under the Italian version of his name he insisted upon being heralded simply as Edward Johnson. Had Johnson retained the name Edouardo Di Giovanni, which had been heralded in America long before he had returned, his success might have been more sudden and he might have been placed on a par with the greatest singers of the country earlier than he was.

One can see in that act an independence and a strength of character which prove conclusively that here is one singer at least so fine and so loyal that he can well afford to disregard the former convention which held that Italianized names were necessary for Americans at the opera.

Johnson's accompanist this season is Blair Neale, who will be heard in two piano solo groups. Johnson's Salem appearance is under the auspices of the Nero Musical Bureau of Portland.

## Music Section of Salem Arts League Will Give Y. M. C. A. Program

The regular Friday evening concert will be given at the Y. M. C. A. this evening by members of the Music Section of the Salem Arts League.

Those appearing on the evening's program will be: Mrs. Martin F. Ferrey, contralto; Mrs. Stephen Stone, pianist; Thomas Larkin Williams, tenor; Mrs. Clarence Boves, soprano; Lyman McDonald, bass; Mrs. Gordon McGilchrist, Sr., soprano, and Mrs. Breckenridge, Mrs. Clifton Mudd, Mrs. T. L. Williams, and Miss Evansell, vocalists.

In addition to musical numbers by the above mentioned artists, Dr. Martin F. Ferrey will give a review of "Meanwhile," by H. G. Wells.

The public is invited to attend.

## Scandinavian Bell-Ringers Will Make Second Appearance in Salem

Salem is promised a musical treat on December fifth when the Scandinavian Bell-Ringers, seven in number, will appear at the First Congregational Church. A matinee will be given from four-fifteen until five-fifteen in the afternoon for grade and high school children. An entertainment for adults will be given in the evening.

The troupe appeared in Salem two years ago and was most enthusiastically received. At that time there were only ninety-five bells and four ringers. There are two hundred and fifty bells at the present time and seven ringers so it is with even greater pleasure that we anticipate this unusual concert. The bells are the only-set in the world tuned to the chromatic scale.

## Mrs. Spears Hostess at Attractive One O'clock Luncheon

Mrs. Frank Spears entertained Tuesday afternoon with an attractive one o'clock luncheon, having as her guests the members of the bridge club of which she is a member.

Bridge was the diversion of the afternoon.

Mrs. R. M. Hofer will entertain the club in a fortnight in her home at 755 South Commercial Street.

## SALLY'S SALLIES

Marriage is pretty much of a habit after the fifth year.

Return From the Middle West

## REBUS LOSSES TILT

"BOOTLEG KING" OVERRULED BY COURT AT TRIAL

CINCINNATI, Nov. 17.—(AP)—Victor in the first great fight of his murder trial, George Remus has lost a battle to widen the scope of the sanity tests the jurors in his case shall prescribe.

Judge Chester R. Shook ruled that the three tests customary applied in Ohio courts, and not "five or ten or fifteen," as demanded by Remus, shall rule. They are:

1—Was the accused a free agent in forming the purpose to kill?  
2—Was he at the time capable of judging whether the act was right or wrong?  
3—Did he know at the time it was an offense against the laws of God and man?

Yesterday Remus won the right to help select the jury which shall determine his fate despite objection of the prosecution on the ground that his sole defense was that he killed his estranged wife, Imogene, on October 6, while temporarily insane.

At adjournment eleven tentative jurors were in the box.

## AMERICAN FARM CONGRESS PASSES UP FARM RELIEF

KANSAS CITY, Nov. 17.—(AP)—Specific farm relief legislation such as advocated by some other agricultural organizations was passed up Wednesday at the

final session of the American Farm congress.  
An informal vote, however, showed almost unanimous opposition to any attempt at price fixing by the government in an effort to stabilize agriculture and to take care of surplus production.  
More than a score of delegates met this afternoon with the resolutions committee, which had announced it would accept for discussion any written resolution bearing on farm relief legislation, but no concrete proposals were advanced by the delegates.  
W. L. Thomason, a delegate from Platte City, Mo., expressed the belief that some legislation along the lines of the McNary-Haugen bill was needed to solve the surplus crop problem. His suggestion was given no encouragement by others present.
