

# Complete Reorganization Demands

The Present Merchandise on hand is to be entirely cleared out--and all Fixtures to be to rehabilitate the premises with a mercantile innovation that will be entirely new to the public Valley--And yet one of the most popular institutions of its kind to follow the trend of

There is no concealing the fact that the new order of things in our present generation demands SPEED! ACTION! Alas, to the and to that end DIRECTORS have taken decisive action in making this change, for fulfillment of the principles that are always by this store--A service that has, and always will be a standard by which DIRECTORS will render to the utmost of capacity--

**THE GREATEST SALE SALEM HAS EVER SEEN**  
COME AND SHARE WITH THE CROWDS

THE MOST SENSATIONAL MERCHANDISING EVENT IN M. NY YEARS

There are no two ways about it -- and we realize the fact. In order to dispose of an article hurriedly, one must not hesitate in taking losses to accomplish desired results -- How well we have taken that into consideration can best be judged by taking a glance at the large list of diversified merchandise values contained herewith --

## Talk About Prices!

The values offered here in instances would positively be prohibitive, were it not for the fact as stated above, that we must clear the premises of every vestige of merchandise in order to be ready for the plans now being formulated.
