THE WOOD ROAD
If I were to walk this way
Hand in hand with grief,
I should mark that maple spray
Coming into leaf.
I should note how the old burrs
Rot upon the ground.

This was lost on me:
While the world goes round,
A rock-maple showing red,
Bursts beneath a tree.

It will arrange easily in any style that becomes, for it will have lovely softness, and all the sheen all healthy hair normally has. Danderine will neutralize the acid, and actually dissolve every particle of dandruff scale. Your hair won't need anything else to keep it fresh, wholesome, and free from the least objectionable taint that is too often noticed in otherwise fastidious women.
Danderine sells for only thirty-five cents at any drugstore, and as only a few drops on comb or towel will do the work, a bottle lasts for weeks!
