Cash, Charge or Budget Prices are Exactly the Same

Not only do we offer tremendous reductions on the most wanted merchandise but we also offer you the privilege of buying for cash, regular charge or through The Budget Plan. This Budget Plan is a modern merchandising plan that permits you to make your purchases now, when prices reach their lowest limit, paying for them in an easy, dignified way over a period of ten weeks. Kafoury Bros. has always been known as a store of quality and during this event we shall offer only high-grade dependable merchandise from regular stocks. You will not find job lots, special sale purchases, but fresh stocks of the most seasonable and desirable character. The organization is literally on its toes, all set for rolling up the greatest volume of business in the history of the store. We have the merchandise, efficient help to wait upon you, our most amazing price reductions—and with it all the privilege of buying for cash, regular charge or on the Budget Plan. (This plan is explained more fully on another page.) Read these items, see the windows and come Wednesday prepared to take full advantage of the opportunity.
