Professional Service

...

Your professional service deserves to be complete, with the use of lenses that will obtain the results that the examination reveals to be necessary. You deserve a correction that will give you the utmost visual comfort and efficiency, taking the facts as revealed by the examination into consideration. This means, if glasses are indicated, Tillyers should be advised, because Tillyer lenses offer you the most dependable lens for obtaining maximum results. The Tillyer possesses no inherent defects to cause complications in the performance of the correction. Correctly adapted, positive satisfaction is certain.
