The Store With the REAL CHRISTMAS SPIRIT

To us, the Christmas spirit is not something one acquires a few weeks before Christmas and loses with the New Year, a sort of temporary kindness and good will. To us, the Christmas spirit is really only an expression of the spirit that carries us all through the year—loving kindness, generosity, good will, courtesy and fair dealing. You will find us always the same year in, year out. This accounts for the very genuine "Christmas spirit" that our patrons find here in the hustle and bustle of the holidays.
