We are all set for our great Expansion Campaign. This morning we launch this determined effort to break all records in the matter of volume. Remarkable reductions have been made in nearly all departments—reductions that are really so liberal and substantial that it cannot be compared to anything ever seen in Salem.

Do not judge this Expansion Event by any ordinary sale or other event. It can not be likened to anything you have seen in this or any other store. It is a thing apart, a Remarkable Drive featuring the most generous savings and all kinds of wearables for men and boys, and on Virgin Wool Blankets and Robes.

Extraordinary Reductions in All Departments

This merchandise in the store is new, that is what makes it so different to a sale. We have taken our regular stocks, bought in the regular way for our regular business and marked them at generous concessions just for this campaign. You will not find old "job lots" or "special purchases" bought for sale purposes, but clean, fresh, wanted and desirable merchandise of the character you are in the habit of buying at this store.

Only the prices will be different. They will be showing such savings that you will do well to check up your needs and come prepared to take full advantage of the opportunity to buy for future as well as present needs. The event will feature merchandise of national renown such as Hart, Schaffner and Marx, Michaels Stern and other well-known clothes, Pendleton Pure Virgin Wool Blankets, Perfection Boys' Clothes, Stetson and Mallory Hats, E. & W. and Emery Shirts, Interwoven Hosiery and other equally well known makes. Truly a remarkable money-saving occasion.
