## HOW MRS. WEAVER WAS HELPED

By Taking Lydia E. Pinkham's Vegetable Compound

As Mrs. Weaver herself says, "I was never very strong." This is a mild statement describing her condition, for according to her letters she was subjected to no small amount of ill health. Fortunately, her sister was familiar with Lydia E. Pinkham's Vegetable Compound and begged Mrs. Weaver to try it.

"After three or four weeks," writes Mrs. Weaver, "I felt a great difference in myself. I would go to bed and sleep sound, and although I could not do very much work, I seemed stronger. I kept on taking it and now I am well and strong, do my work and take care of three children. I sure do tell my friends about your wonderful medicine, and I will answer any letters from women asking about the Vegetable Compound."—Mrs. L. A. Weaver, East Smithfield St., Mt. Pleasant, Pa.

If you know that thousands of women suffering from troubles similar to those you are enduring had improved their health by taking Lydia E. Pinkham's Vegetable Compound, wouldn't you think it was worth a trial?

## COLUMBIAN BAND

### WILL BE AT DANCE

Frank Vaughn and his Columbian band will furnish the music and entertainment at Schindler's hall on Wednesday evening, January 18. This excellent group has been in the Salem community once before and attracted considerable favorable comment at that time.

Vaughn, who organizes this band, is a Salem product and at one time studied law at Willamette university. Later he gave up his law work for music. For some time he travelled with Victor Meyer's band and with George Olson's band. After a short time he conceived the idea of organizing his own band, which he immediately proceeded to do.

The Columbia band is composed of ten musicians. One very interesting novelty about the group is that they all play several different instruments and not only may be called a band but also a first class orchestra. An added feature is the singing trio and they furnish considerable entertainment with their lively selections.

Every member of the group is an artist in his line and so music and entertainment of a very high class naturally results.

## BACKACHES WERE SLOWLY KILLING ME

"I was almost laid out with the terrible pains and stitches in my back. I had just about given up hope of getting relief when a neighbor gave me a bottle of 'St. Jacob's Oil' to rub on my back. I got immediate relief and have enjoyed perfect comfort since."

It's a pity that everyone with Backache, Lumbago, Rheumatism and Neuritis doesn't know about "St. Jacob's Oil". Its action is amazing. Without burning or blistering the skin, it penetrates to the affected part and draws out the pain like magic. If you want to know what relief is, go to your druggist and get a small trial bottle of "St. Jacob's Oil" and apply it to any aching spot.
