

SALEM'S NEWEST and Most Interesting Cooperative Industry

Here are the Details in Brief:

1. The Willamette Auto Supply Co. has just been incorporated for the purpose of saving a large amount of maintenance cost to the automobile owner. Capitalization \$50,000.

2. Unduplicated Free towing service and assistance to "stranded" member motorists with all night service the year 'round is offered.

Complete body rebuilding and fender repair work is to be specialized on with expert workmanship guaranteed.

3. Large and Cooperative resources that actually saves the shareholder-motorist real money is made a possibility.

4. Only a limited amount of stock is to be offered the car-owning public. This stock will be non-assessable and is to be sold at \$250 a share. The issue is limited to \$10,000 and is not to be sold in large blocks.

5. Each shareholder will be entitled to a large discount on all parts, accessories, oil and repair work.

6. This truly large discount may be increased on vote of the stockholders as the corporation's business increases and is in addition to any dividends which may be earned by the shares held.

Discount and Dividend Together Represent Substantial Earnings

which our stock will offer.

A Few Pertinent Facts:

Every motor car needs repair work and parts some time during its useful life. These parts **MUST** be bought and **PAID FOR**. Why not become a partner in a cooperative organization that gives you both parts and repair work at a big discount, and offers you substantial earning on a small investment besides.

A cooperative organization owned by its members means real co-operation **BETWEEN** members. Hence the total shareholding membership profits by the Free Towing Service and other cooperative assistance rendered.
