Semi-windup—6 rounds—Terry Killeen vs. Battling Yoakley

Special—4 rounds—Eddie Graham vs. Eddie Moore

Special—4 rounds—LeRoy Watson vs. Frankie Monroe

Opener—4 rounds—Foxy Hickman vs. Wayne Slusser

It's all arranged: The time—8:30 p. m. The place—Salem Armory. The important event—Chuck Hellman versus Phil Bayes, with a strong supporting card. The popular bantam arrives in Salem this afternoon. He weighs in at 2 o'clock in the armory. He is likely to scale about 122 pounds.

Phil Bayes, his opponent, weighs in a moment afterward. He must make 126 pounds or forfeit \$100 to Bobby Evans, Hellman's manager. The two men will meet in the ring tonight. It will be a great fight, the winner to meet Willie Gordon on a future Salem card. Hellman is the greatest boxer ever to appear in Salem. His progress is being watched all over the country. In his campaign against featherweights, Hellman deliberately plans to build up a reputation which will further his bantam title chances. He will be out to win.

Won twice from Doc Snell. Won from California Joe Lynch. Won technical-knockout over Bud Ridley. Dropped Dixie La Hood three and won that fight.

Won a diamond studded belt by defeating Young Nationalists for the coast title. Gained technical-knockout over Ansell Bell, bantam champion of Australia.

Fought a furious draw with Bud Taylor, recognized as bantam champ. Knocked-out Sailor Mayberry. Took a decision from Georgia Marks.

Whipped Izzy Swartz, recognized as flyweight champion. Punished Johnny McCoy, California flyweight champ, severely to gain decision. This Hellman is one tough fighter, as his record shows. He is victor over champions—a real coming contender for title honors.

Bayes is in splendid condition to take on Hellman. He is determined to make it a fight. Hellman will find no set-up in Bayes. Tom Loutitt, Portland referee.

telephoned Plant that he would be down to officiate, good weather or bad. Loutitt will get a big hand when he enters the ring. He is popular here.

Plant has lined up a strong supporting card. The semi-windup scrap between Terry Killeen, 17 year old independence welterweight, and Battling Yoakley, a rugged fighter, is attracting interest.

CHEMAWA PLAYS 3 GAMES THIS WEEK

CHEMAWA, Ore., Jan. 17.—(Special)—Wednesday evening the Chemawa basketball team embarks upon its hardest week-end of the season. The Redskins play three games.

On Wednesday the Indians play the Salem Black Cats. Thursday the Columbia Cliff Dwellers, and on Friday Linfield college.

The Black Cat and Columbia games will be played on the home floor, the Linfield game at Linfield.

Coach R. G. Downie encountered at the start of the season some difficulty in finding two men to complete his machine, but finally found a combination that works effectively on both offense and defense, and as a result, won the last four games by good margins, and against teams that took their measure early in the season.

Every man on the squad was given his share at working with the regulars on Monday evening, and it appears that a large number will be used in these games. However the regular five will start the games, and as many replacements will be used.

Peter Rasmussen, center; Eldred George and Jesse Prettyman forwards; Rob Petrovich and George Meachem as guards; are the five men who have been carrying the brunt of the attacks so far.

James Spencer, a big man who stands over 6 feet tall makes a good utility man and works well in any position. Cliff Meachem, who plays either guard or forward is another dependable man.

In addition to the boys' games the Chemawa girls' team, which is fast rounding into shape after losing to Scio high school by a 19 to 20 score last week, will play Scio, a return game on Wednesday, and will accompany the boys to McMinnville where they will play the Linfield college girls team in the first of a two game series.

Barrage of Challenges Fired at Ring Champions

NEW YORK, Jan. 17.—(AP)—Champions of the heavyweight, lightweight and bantamweight divisions ran into a barrage of challenges today at the bi-weekly meeting of the New York state athletic commission.

Right on the heels of an unsatisfactory showing against Tom Heene, Australian champion, Jack Sharkey posted \$2500 with the commission in support of a challenge of Gene Tunney's heavy-weight diadem. The boxing fathers decided today Gene still has months to spare before answering an opening gong, in view of the champion's title defense against Jack Dempsey in Chicago last September. Six months' rest is allowed a titleholder between championship matches.

Two challengers for Sammy Mandell's lightweight honors developed today when Bruce

Flowers, Yonkers' negro, added his defy to that of Sid Terris, the latter on file here for many months. In view of Mandell's aversion to risking his title in New York, the commission suggested that Flowers fight Terris for the "logical contendership."

Cleaning up "loose ends" here and there, the board formally reinstated Jack Sharkey as a result of his draw bout with Heene, the Boston sailor was indefinitely suspended when an injured left hand prevented his meeting Heene last month. Indefinite suspension was meted out to Dave Shade, California middleweight for reporting sick to the Genesee valley club of Rochester, N. Y., where he was to have fought Dick Evans of Youngstown, Ohio, last night. Permission was given the club to substitute Macey Rowenbloom of New York for Shade against Evans Friday night.

MEN OF NORMAL ENJOY SMOKER

OREGON NORMAL SCHOOL, Monmouth, Jan. 17.—(Special)—Boxing and wrestling fans enjoyed a lively smoker staged at the Monmouth normal school last week end by the men's club, the leading athletic organization on the campus. In the bouts staged some top notch amateur mat material was discovered among the men enrolled this term.

Leading the program was a bout between Rees, former wrestler at O. A. C., and Mauling Murphy, an old timer in club wrestling. Horn threw Lefever in the first event of the evening. Smith and "Curly" Lehman followed with a speedy no decision exhibition. In the third bout Alley, with more experience in the art, downed "Slim" Nelson. In the last wrestling bout "Spud" Roland threw Bunny Van Loan for a couple of fast falls.

Three boxing events were staged. In the first match "Tiny" Ayres, with lots of power and weight, scored against Red Thomas in a lively mixup. Battling Hyte, showed promise of a real boxer in the way he put out Denton. Friesen and "Skip" Lehman closed the amateur program with a no decision battle with the mitts.

A special feature of the evening was a boxing exhibition given by Danny Moore and Wildcat Watterberger of Independence. This event was received with great enthusiasm.

Bill Crow announced all bouts. "Chappy" King refereed the boxing events and Chestnut handled the wrestling matches. Much credit for the success of the evening was due to the efforts of Oscar Christensen, faculty member of the men's club and a leader in all athletics on the campus.

In New York, betting on boxing has made legal. But it's still dog-in-foot.

W. U. FRESHMEN PLAY 2 TODAY

Coach Leslie Sparks will take his W. U. '31 Bearkittens to Portland this afternoon to meet Benson Polytechnic. This evening, they will vie with West Linn high at West Linn.

Coach Sparks will take about ten men on the trip. The starting line-up will find Waddell at center. De Harport and Troxel at forward. He did not announce who would start at guard. There are several likely candidates for those berths.

Sport Ritticisms by BILL RITT

The Giants' statement that Hornsby was traded to Boston for two unknown youngsters "for the good of the team" makes us wonder what team.

The Yanks ought to follow suit and trade Babe Ruth for the good of neighborhood windowpanes.

With Gehrig thrown into the bargain, Huggins ought to get a pretty fair high school pitcher for the Bam.

Boston Braves fans were speechless when they heard the news. It was the first time they ever owned a ball player.

McGraw hurried to Cuba right after the swap. Maybe he's going to trade the Polo grounds for a stein of real beer.

Now that Boston has Hornsby, the team has only eight more positions open.

Speaking of swaps, the Indians scryped the Whites when they traded Manhattan Island for a pint of real whiskey. You can find islands anywhere.

BEARCATS TO OPEN CONFERENCE PLAY

Two basketball games, neither of which is expected to be tough, face the Willamette Bearcats this week-end.

Next Friday, Coach Keene's men motor to Forest Grove where they open their conference play against the Pacific. Whitman college walloped the Badgers, 57 to 27, last night, and Willamette is conceded an easy victory.

Columbia university will vie with the Bearcats in the local gymnasium Saturday evening. While the Cliffdwellers defeated Gonzaga the night after Willamette gave the Bulldogs a drubbing, it was only by a six-point margin, and Keene's men are expected to find little difficulty there either.

The playing of Cardinal, Reginald Depoe, and Hank have been bright spots in the Willamette line-up and Keene will probably use these three men regularly.

Leibetter at guard also is playing well. Litchfield and Ashby are not quite up to last year's form. Litchfield is good one night and decidedly poor the next. At Oregon, in the first tilt, he played a fine floor game, but has failed to show much in others.

Speed is what Coach Keene wants. A fast break from the tip-off will be the team's scoring strategy and will require snappy passing.

The Pacific Badgers seem likely to land on the lower rung on the conference ladder this year. They have been defeated already by Linfield and Whitman.

MISSIONARIES BEAT BADGERS

FOREST GROVE, Ore., Jan. 17.—(AP)—Whitman college scored a victory over Pacific university here tonight in a northwest conference basketball game, by a score of 57 to 27. The outcome of the game was never in doubt after the first half when Whitman overcame a slight Pacific lead.

Captain Buck, Whitman, was high man with 18 points. Walker led the Pacific scoring with 11 points.

ROOKS TO PLAY THREE OREGON STATE COLLEGE, Corvallis, Jan. 17.—(Special)—Oregon State rook basketballers will travel to Portland this week end where they will meet Franklin high on Thursday, Benson on Friday, and Washington on Saturday. The rooks have won three out of four games played so far this season, winning from Franklin, 48 to 37; Albany college, 19 to 14; and Washington, 24 to 19. Benson took the boys down a notch by the score of 19 to 20.

OREGON STATE COLLEGE, Corvallis, Jan. 17.—(Special)—University of Idaho will furnish the competition for the Orangemen in the opening conference game of the season here Friday night. Idaho is considered as having one of the strongest teams in the conference this year.

Comparative strength of the Vandals and Beavers may be had by taking a glance at the scores made by both teams against Whitman. Idaho defeated Whitman by the score of 27 to 24 while the Orangemen turned the white 34 to 27. These scores would indicate that the Beavers had the edge on the Vandals by four points, but four points is a slim margin to go on in doping out a basketball winner. Anyway a real game is looked forward to by the fans.

Since the conference of the Pacific coast contains Idaho and Oregon, these two teams will play 16 games each winning eight, so the game on Friday will break the tie. Six of the 16 games played were decided by a one point margin. One game was decided by 2 points, another by 3, and another by 4. The most decisive victory

Early Lead Gives Salem Victory Over Eugene 30-19

An early 13 point lead, run up largely through the scoring efforts of Robert Kelly, playing at forward, enabled Salem high school to defeat its ancient rival, Eugene high, at basketball last night 30 to 19.

Four times, Kelly circles his defense on alley dribbles in early minutes of play to stretch the net. An additional two baskets by Lyons and free throw contributions from Kafoury and Ecker gave Salem 14 points before Eugene could collect more than one point—that on a free throw by Jeffries, Eugene substitute at guard.

Shortly after the second quarter opened, Eugene started a rally which cut down the Red and Black lead at half time to eight points.

Coach French's state championship team played Salem practically on even terms for the remainder of the game, scoring 11 points to Salem's 14.

The Eugene outfit had none of the dash and spirit which characterized it last year. Playing a modified percentage style, with-out a capable pivot man, and passing erratically when an opening presented itself, the visitors relied largely on shots from the open floor beyond Salem's defense line. Bessonette, forward, had a keen basket eye and roped in some pretty ones.

It was a ragged, uninteresting game throughout. Salem showed even poorer form than in the Washington game. Little or no teamwork was displayed. The starting combination which found Shafer and Bob Kelly at forwards looked good at the beginning, but later in the game, placed Bob Kelly back at guard, took out Kafoury, and sent in Siegmund and Ferrine. None of the succeeding combinations looked as good as the first.

The playing of young Siegmund at forward when he went in during the second half made a bright spot in the game. Siegmund found the hoop for four baskets and two free throws. Three minutes before the game ended, he fell heavily, opened an old scalp wound and was forced to retire.

The summary:

Salem (30):	Eugene (19):
Shafer F (13)	Near R. Kelly (9) F (7)
Bessonette Lyons (8) C (3)	Britcher Ecker (2) G (3)
Teague Kafoury (1) G (1)	Wright Siegmund (10) S (3)
Jeffries C. Kelly S (3)	Osborn Ferrine S (3)
McDonald S (1)	Hargraves S (1)
White S (1)	
Referee—Mason.	

AGGIES VS. IDAHO GAME SET FRIDAY

OREGON STATE COLLEGE, Corvallis, Jan. 17.—(Special)—University of Idaho will furnish the competition for the Orangemen in the opening conference game of the season here Friday night.

was won by the Beavers in 1916 by the score of 35 to 14. Last year Idaho took both games played by the scores of 29 to 28 and 24 to 17.

PARRISH BETAS MONMOUTH HIGH

MONMOUTH, Ore., Jan. 17.—(Special)—Parrish junior high school defeated Monmouth high school here tonight, 22 to 17, in a fast, snappy basketball tilt. Pettit and Burgess scored six points each. Kitchen, one of Parrish's best players, was on the bench with an injured hand.

Parrish meets St. Paul high school at St. Paul tonight, and Friday evening will tangle with St. Marys school of Eugene in the Parrish gymnasium. Loren Kitchen, star forward, is expected to be able to play Friday. Coach Frank Brown said last night.

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
