WEIGH WHAT YOU DESIRE

If you over-weight, the cause may not lie in over-eating or under-exercise. It may lie in a fault in nutrition which modern research has discovered. And which science now corrects.

The method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And many of the people you envy—with slender figures, new vivacity and health—will urge you to adopt this way.

The use of Marmola does not require abstinence or exercise or diet. In every box you will find the formula, also the reasons for results. You will know just why your weight comes down and why every effect is helpful. Learn the facts, and do it now. Do so by asking your druggist today for a \$1 box of Marmola.

"NEURITIS SO BAD COULDN'T USE ARM"

"My right arm was almost useless from neuritis. The pinching, pain bothered me all day. At night the sharp twinges would wake me right out of my sleep. I suffered terribly until one day I tried 'St. Jacob's Oil.' The relief I got from this simple oil was unbelievable. My arm feels fine now."

Good old "St. Jacob's Oil" is "one remedy that really stops the pains and aches of Neuritis, Rheumatism, Backache, Lumbago, and Neuralgia. The relief is almost instantaneous because this marvelous oil goes directly to the affected part and as quickly draws out all the ache and pain. And it doesn't burn or blister the skin. Get a small trial bottle of 'St. Jacob's Oil' today at your druggist's and see how it relieves pain.
