...second-  
...his know-  
...edge that the proper thing to do  
...is to keep his long left stuck out in  
...front to bother the other fellow.  
...And the haymakers he shoots are  
...roundhouse affairs—duck soup  
...for a clever, shifty fighter to  
...dodge.  
...Humbeck was another giant  
...compared to Delaney. Jack weigh-  
...ed 178 pounds against him. Hum-  
...beck weighed 199. Twenty pounds  
...is considerable poundage.  
...Humbeck had not the slightest  
...idea of how to protect himself  
...from Delaney's snappy left jab or  
...his right uppercut. Delaney  
...couldn't halt Johnny Risko with  
...the jab. And half the time that  
...Canadian Jack turned loose that  
...right uppercut he left himself wide  
...open to a more experienced and  
...handier fighter.  
...The weak point in an uppercut  
...is that it leaves the puncher open  
...if it fails to connect or check the  
...opponent.  
...Delaney's present popularity is  
...almost sufficient to suggest an im-  
...mediate battle of some importance  
...for him—against Dempsey or  
...Turney. The only added good that  
...can come from a long row of  
...knockouts over second-rate oppo-  
...nents is a bigger gate. But that, in  
...these days of high finance, is im-  
...portant much more so than when  
...the promoters were bare police  
...and spectators into the house-gow  
...before the fight ended.  
...When picking out the nervy  
...brothers—the boys who are will-  
...ing to put their heads in the lion's  
...mouths and laugh sardonically,  
...list Michael Gazella, Yankee in-  
...fielder, among the brave ones.  
...Carried as a utility infielder on  
...the most powerful team in the lea-  
...gue has boasted in years—and  
...faced with the prospect of warm-  
...ing the bench again while Tony  
...Lazzeri, Mark Koenig, Lou Gehrig  
...and either Joe Dugan or Gene  
...Robertson cavort about the vari-  
...ous bags Mike steps up to Col.  
...Jake Ruppert and says:  
...“Gimme more dough or Mike  
...Gazella doesn't sign these papers.”  
...Probably it was “those,” howev-  
...er, as a matter of fact, as Mike is  
...a college boy.  
...Anyhow, Mike's last year's  
...and new ex-  
...the trousers.  
...the first contract  
...this winter with the terse  
...comment—“and how much  
...more?”  
...As a matter of fact this action  
...on Gazella's part isn't ridiculous.  
...For two reasons.  
...First of all Mike is a valuable  
...utility player because he is of the  
...type than can spend weeks idling  
...away his time on the bench and  
...then step into the middle of the  
...fracas at a moment's notice and  
...play an acceptable game at any  
...infield position.  
...Secondly, Mike probably would  
...rather play as a regular with some  
...club than sit in the  
...oblivion of the dugout  
...Having adopted base-  
...as an occupation it is but log-  
...ical to suppose that Mike would  
...like to work at it.  
...He no doubt figures that should  
...Col. Ruppert and Miller Huggins  
...feel that the Yankee bank roll  
...won't stand another severe dent  
...they will agree to a change of  
...scenery for Mike, which might  
...bring him the dough desired—and  
...a regular berth. There are half a  
...dozen clubs who could use Mike—  
...and he'd be darned glad to get him at  
...a fair price and a good salary.  
...When Scott was born time-  
...clocks became an unnecessary in-  
...vention. He was in his uniform so  
...much that when he took his cap  
...off he felt stark naked.
