The public is invited to attend. Girl Reserves Will Sing at Meetings of Luncheon Clubs In order to increase the interest of the public in the \$7,000 Y. W. C. A. campaign for funds which will open February 6, and will continue until February 11, a chorus of Salem Girl Reserves will appear before each of the luncheon clubs this week.

movement is world wide. There are Girl Reserves in the Canal Zone, South America, Old Mexico, France, Germany, Sweden, Roumania, China, Japan, and Australia. Every state in the union has its groups of Girl Reserves, with an aggregate national membership of more than 200,000.

The Girl Reserves have as their motto, "To face life squarely." Their purpose is "To find and live best." On the beautiful Santiam river, two miles from Mehama, is located the Y. W. C. A. camp. For this, Mr. Joseph H. Albert gave to the Girl Reserves, two acres of land along the river front. The Lions club contributed \$500 towards a building and this with private gifts made it possible to erect a camp 40x50 feet. This building is not yet completed, but very usable. It is hoped by next summer that the fire place may be built, the building enclosed, and the well pumped by Mr. Glese, put down. All these are much needed, particularly the well.

The Grax club, junior high school Girl Reserves, high school Reserves, and the Rainbow girls, each spent a week in camp last summer. The privilege will be extended to other groups for it is the wish of the association that the camp may be used by all the women and girls of Salem and the surrounding community.

The camp life was greatly enjoyed by the girls. The day's program of the Girl Reserves included: a "dip" in the Santiam at 6:45 each morning. Setting-up exercises and breakfast followed. Then came the morning devotions, followed by an hour of work about the camp. The camp inspection and awards, short hikes, and discussions completed the morning activities. Dinner and a rest hour followed by interest groups, swimming, hiking, supper served in the open or at camp, and the evening around the camp fire made the week pass very quickly, and soon it was time for the club members to return to their homes. Saturday night was always "stunt night" and each group, in accordance with the annual custom, put on a program for the tourists stopping at Taylor's grove and the community round about.

This organization is but one of several active groups of the local Y. W. C. A. McDowell Club Concert Will Be An Event of the Week A great deal of interest is being evinced in the concert which will be given Thursday evening, February second, in Castilian hall by Miss Mildred Roberts, popular young Salem violinist. Miss Roberts, who is the daughter of Mr. and Mrs. John J. Roberts, is a student of St. Helen's Hall in Portland. She has studied for several years with William Wallace Graham and is considered one of the most talented young

House Frocks \$1.85 New Hair Mode from Broadway "Everyone admires my hair, now that I'm doing it the new way that nearly every really smart girl I know is using," says Miss Agnes Traney, popular dancer, now appearing in the Broadway hit, "Rio Rita." "My hair doesn't need shampooing more than once a month, now. My scalp feels better than it ever has felt. I have gotten rid of all my dandruff. My hair is much easier to arrange, and it stays that way. All I do to keep it like this is put a few dashes of Danderine on my brush every time I use it. It's wonderful how Danderine adds to the beauty of your hair, makes it look so silky and lustrous." Danderine is not oily. It removes the oily film from each strand of hair and restores the natural color and lustre. It dissolves dandruff, cleanses and invigorates the scalp. It is delightfully fragrant. The big bottles are just 35c at all drug stores. Beautiful, smooth, gleaming hair and a healthy scalp for a few cents.
