## HOSS RESIGNS AS SECRETARY TO PATTERSON

Would Survey Secretary of State Situation As Private Citizen

### CANDIDACY NOT CERTAIN

Governor Expresses Regret at Loss of Assistant; Position to be Filled After Return From Trip South

The resignation of Hal E. Hoss as private secretary to Governor I. L. Patterson, effective March 1, was submitted to the governor Wednesday.

"This action is taken," read Mr. Hoss' resignation, "after due deliberation and is actuated by a desire to have my time free to take care of personal affairs.

"It is perhaps known to you that I have been mentioned as a probable candidate for the office of secretary of state, and I feel that my own interests and those of the state will be better served if I sever my connections from official duties and survey the situation as a private citizen. Not Candidate Yet

"I intend, upon release from state duty, to go thoroughly into the matter of whether or not should be a candidate for secretary of state, and will make my a final vote before adjournment decision after I have had opportunity to make a state wide survey of the situation.

sies you have showed me during author of the resolution, confinthe year and more that we have ing the inquiry into political conand confidence you have reposed in me as your private secretary. The experience has been one of the happiest and most construcregret."

Compliments Aides stenographer, for their loyal and ing the life of the inquiry. efficient service in conducting the

partment until March 1.

# BLOOD

Watch your blood pressure! If it's 180 or 200 instead of 120, it's a sign to be careful. High blood pressur cuts years off one's life. Heart palpitation, dizziness and difficulty are symptoms of high blood pressure, the result of our modern abnormal habits of life which put too great a strain upon the liver.

The liver becoming sluggish fails to cleanse the blood of the toxic isons formed in food waste, which then permeate the whole system, affecting heart, blood pressure and blood vessels. The liver needs a little help occasionally. Nothing better for this, as medical me know, than a little ox gall. Ox gall is a remarkable natural st for the human liver, promoting its normal active functioning, so essen-

tial to real health. Dioxol tablets are genuine ox gall in dainty and tasteless form, each tablet representing 10 drops of pure ox gall. To be sure of getting the genuine ox gall, be sure of get-ting Dioxol. They cost less than 2c each at good druggists, and a few soon tell.

**CONQUERS BROADWAY VIA PARIS** McMILLAN TRIAL **GETS UNDER WAY** 

ED AT LOS ANGELES Blood Stained Clothing Worn By Slain Woman Introduced as Evidence

"SACK MURDER" CASE START-

LOS ANGELES, Feb. 15 .- (AP) The blood stained clothing worn by Mrs. Amelia Appleby, wealthy ridoy of a Chicago inventor was identified as evidence today when the first testimony was taken in the trial of Dr. Charles M. McMillan for her murder two months ago. The evidence was shown to the jury of eight women and four men, who finally were chosen this morning after a day and a half's jury picking effort, and identified by Dr. Frank R. Webb, assistant county autopsy surgeon who of ficially examined the body.

The state's witness also identified to the jury a photograph of the slain woman's body, pointing out the location of various wounds. He testified that his autopsy revealed the woman died of congestion of the lungs due to exposure and that the body had been found wrapped in canvas.

Under the cross examination attack of defense Attorney Jerry Giesler, Dr. Webb admitted he also found congestion in the liver and that this was of the type caused by alcoholism.

James T. Appleby, stepson of the victim and son of John F. Appleby, Chicago inventor, testified Amelia Appleby was his father's fourth wife. He testified his father's estate amounted to \$1,000,000 in real estate, bonds, cash and jewelry and that the slain woman came into possession of the entire
