

# Biggest Home Conference Games Face Bearcats Friday and Saturday

## PUGET SOUND FIVE HAS GOOD RECORD

Salem fans are in for two sessions of scintillating basketball play Friday and Saturday when the Puget Sound Loggers lumber out on the maple court to contest with the Bearcats for second place in northwest conference standings.

"Cac" Hubbard's men romped to victory last night over the Linfield Wildcats. Only Whitman has succeeded in taking the measure of the Bearcats and the Loggers in conference tilts.

Action is always in prospect when Puget Sound and Willamette clash. "Cac" and "Spec" are close friends. They scout other teams for each other, contrive together how to conquer other members of the conference, but when it comes to rivalry between themselves—that's different.

Since these two men became coaches at the two outstanding Methodist colleges of the northwest, "Cac" has had slightly the better of it at the two major sports, basketball and football. Puget Sound has won once on the gridiron and once on the court. Willamette has won once at basketball, and played the other football game to a tie score.

Last spring, the Loggers won a basketball on the Tacoma floor 24 to 18, and the Bearcats evened the count in Salem 31 to 28.

Season scores this year indicate that Willamette should have the edge. Whitman smothered the Loggers under topheavy counts while Keene's men held the Missionaries to lower scores than any other coast or northwest conference team has been able to do on the Walla Walla floor.

Willamette won from Gonzaga; Puget Sound lost.

One thing "Cac" Hubbard's team achieved, which no other team, coast conference or otherwise has succeeded in doing, was to defeat the University of Washington first string players in a game at Tacoma. That victory is hard to explain, but remains a fact.

It augurs, at least, that the Loggers may rise to heights sufficient to win from Willamette, or at least make it a tough, neck-to-neck battle.

The Willamette players returned from the Idaho-Washington tour tired out from the strain of five straight games, but with two days of rest ahead, and the experience gained in the tough scrimmages against Whitman, the men will probably play better than at any other time this season.

The Saturday night game will be preceded by a game between the Willamette freshmen and Chemawa Indian school. Efforts are being made to line up a preliminary for the Friday night game also.

## Earl Sande, World Famous Jockey, Visits Home Here

Earl Sande, world-famous jockey, is in town. He slipped in quietly two days ago for a ten days visit with relatives who reside here.

Earl Sande

The noted race rider has not been in Salem for some years and he expressed himself as astonished at the growth the city has made. Sande was reticent as to his suspension by the Maryland association, but did say that he expects reinstatement when he applies for a license in the spring.

After his visit here, Sande will go to Belmont Park to get in condition for the racing season. He is now eight pounds over-weight. He hopes to participate in the three big American classics, the Kentucky derby, the Preakness meet, and the Belmont meet.

The noted jockey has just returned from a trip to Europe where he visited some of the great race courses, and particularly the establishment of his employer, J. E. Widener, at Chantilly, France.

## VANDAL FIVE WINS OVER COUGAR QUINT

MOSCOW, Ida., Feb. 15.—(AP)—In a game played behind closed doors with the usual rooting mission, the Idaho Vandal basketball team defeated the Washington State college five, 37 to 26 here tonight. The contest lagged at times and had little of the usual college atmosphere.

The first half ended 15 to 11 for Idaho and in the next period this lead was speedily lengthened when the Vandals went on a basket shooting rampage after tightening up on their defense. The Idaho passing attack took the Cougars completely off their feet and the Vandals gathered 11 points while the visitors were getting a single free throw.

## YANKS LEGISLATED OUT OF SPEED TITLE

ST. MORITZ, Switzerland, Feb. 15.—(AP)—The United States today lost in committee the Olympic victory it virtually won conceded yesterday by legislative decision in the ten thousand meters speed skating event.

Twelve hours after the executive commission of the international Olympic committee had proclaimed Irving Jaffee of New York, the 10,000 meters champion, the international skating federation overturned the commission's decision, wiped yesterday's competition off the books and ruled that the race must be re-run. The fact that most of the skaters already have left St. Moritz apparently precludes any satisfactory attempt to re-run the race, leaving cancellation of the event as the probable eventual course.

The federation's action, generally regarded as final, added one more chapter to a short but vigorous dispute which began yesterday when an official of the skating federation cancelled the ten thousand meters event because of unfavorable weather conditions after six of the contestants had completed their heats. Jaffee had made the best time and was regarded as virtually certain to win first place. Cancellation of the race brought forth strenuous objections.

## SHS QUINT LEAVING FOR EUGENE GAMES

Eight Salem high school basketball players and Coach Louis Anderson will leave early this afternoon for Eugene by automobile where they have scheduled two games this week end.

The University of Oregon freshmen will furnish the opposition tonight in McArthur court. The freshmen won from Salem high on the Willamette court in a game two weeks ago which saw the entrance into play for the first time this season of Beechler and Duffy. The Red and Black quint team-work was ragged that night because of the suddenly changed line-up, and Coach Anderson is confident that his combination can defeat the yearlings in the return match.

Friday night, the Salem team vies with the Eugene high team in a return game. Salem won from Eugene earlier this season by a 39-19 score and should repeat without difficulty.

## NEWBURY CHASE WON BY BILLIE

Newbury, Eng., Feb. 15.—(AP)—Billy Barton, owned by Howard Bruce of Baltimore and ridden by Ober failed to show winning form in the Newbury chase over three miles today.

The chase was won by the favorite J. Parsonage's Master Billie, from a field of 12. Billy Barton was at odds of 10 to 1 but did not finish in the first three. The betting on Master Billie was two to one.

## MICKEY WALKER GETS SUSPENSION

NEW LONDON, Conn., Feb. 15.—(AP)—Mickey Walker, middle-weight champion, was indefinitely suspended today by the National Boxing association, ruling body in 26 states, for "not having shown any inclination to defend his title though the six months grace allowed him has expired and proper warning had been issued to him."

At the same time Thomas E. Donohue, president of the association, announced that no action would be taken against Sammy Mandak, lightweight champion, and Joe Dundee, welterweight titleholder, who were warned by the N.B.A. a month ago with Walker to sign for title defenses or risk suspension.

"Dundee has indicated his faith and willingness to defend his title by signing with the Madison Square Garden management in New York as early as last November and apparently has been unable to go through with the defense of his crown, though willing enough, by the force of unfortunate circumstances," the announcement said.

## GREAT CAR BARRED FROM RACE CLASSIC

DAYTONA BEACH, Fla., Feb. 15.—(AP)—The huge 36 cylinder triplex racing machine, owned by J. M. White of Philadelphia has been barred from competition in the 25th annual speed classic, because it does not conform to the rules of the American Automobile association, A. Means, secretary, announced tonight.

The machine was barred, Mr. Means said because it did not have a clutch, differential or reverse gear, as provided by rules of the association.

Mr. Means said that Mr. White accepted the decision amicably and would make an individual effort to break the existing effort, either during or after the regular speed tests, but that should the monster machine exceed the record of 203.7 miles an hour made by Major H. O. D. Segrave in his "mystery Sunbeam," it would not be recognized officially by the A. A. A.

White's elimination leaves only Frank Lockhart, American racer, and Malcolm Campbell, a British driver to try in the competition.

White's car weighs more than four tons and is powered by three 12 cylindered motors.

The first of today's events, for stock cars, costing \$1,000 and under, was won by Harold Harden, Palatka, Fla., in a Pontiac six at an average speed of 58.11 miles an hour, over a two mile course.

Edwin Omts of Daytona Beach, driving a Chrysler "72" roadster, captured the second race for machines selling for \$1,000 to \$2,000 with an average of 73.11 miles an hour.

## KARASICK WINS WRESTLING BOUT

PORTLAND, Feb. 15.—(AP)—Al Karasick, Portland light heavy-weight wrestler, defeated Stanley Rogers of Brooklyn, N. Y. in two out of three falls here tonight. Karasick took the first fall in 11 minutes 28 seconds and the third in 2 minutes 15 seconds. Rogers won the second in 3 minutes 25 seconds.

In the first event of the double bill, Joe Milo of San Francisco and Bob Kruse, Portland, wrestled one hour to a draw. Milo won the first fall in 30 minutes five seconds and Kruse the second in 19 minutes 47 seconds. They are heavy-weights.

## Greatest Ball Hawk

The expected passing of Tris Speaker from the major leagues will mark also the exit of the greatest fly ball chaser in baseball. Speaker surpassed Cobb as a centerfielder. Who will take Speaker's place? According to reports from his home town Johnny Mostil, above, White Sox middle gardener, is himself again and ready for a big year. If so he will wear the crown. He is fast afoot, a great judge of batters and a perfect judge of flies and line drives.

## LOGGERS WIN FROM LINFIELD HOOPERS

McMINNVILLE, Ore., Feb. 15.—(AP)—The College of Puget Sound defeated the Linfield college basketball team, 38 to 20 here tonight. The Linfield Wildcats were without the services of their first string center, necessitating a last minute change in the lineup and were unable to cope with the devastating Puget Sound offense.

Croxell was the breadwinner for the Loggers, rattling the backboards for 14 points while Stensland of Linfield was next with eight tallies.

## HUDKINS AND BAKER BOTH OUT IN GOLD

NEW YORK, Feb. 15.—(AP)—Sammy Baker, army warrior, and Ace Hudkins, clawing cloutier from Nebraska, can settle the question of the rightful claimant to a shot at Joe Dundee's welterweight crown in Madison Square Garden Friday night, but only a softening in the attitude of the New York state athletic commission can give either a chance for fistie glory.

Although Baltimore Joe has been signed since last November to defend his title against the winner of Friday's ten round melee, the commission has declared Dundee "persona non grata" in this state until he clears up his difficulties with California authorities. Dundee refused to go through with a match against Hudkins in Los Angeles last November, when his guaranty of \$60,000 fell \$37,000 short at ring time.

## REVERSIBLE BALL GAME AT BERKELEY

BERKELEY, Cal., Feb. 15.—"Reversible" baseball with the option of running either first base or third base is being played here today in a game in which the University of California nine defeated the Amherst Tailors 11-10. Coach Carl Zimlock of California sponsored the new playing system.

Except on a few occasions the players did not become confused. In the second inning Gus Nemescheck, California pitcher, hit a home run but ran the wrong way so the tally did not count. A batter preceding him had already hit the third base route. The game itself was a see-saw affair, ably played with California winning two runs in the ninth.
