

PACIFIC TO BATTLE FOR LONE VICTORY

Tonight will be the last time for Salem fans to see the Bearcat basketball team in action for the game against the Pacific Badgers starting about 8:15 will ring down the curtain on conference basketball and mark the close of an unusually successful season.

Last year in the final game, Coach Frank's men put up a stiff battle against the locals and victory was won by a slim, three-point margin. It is doubtful if Pacific can duplicate the feat this year even if the Bearcats go into the game overconfident for the difference in strength between the two teams is greater this year, but good basketball play is in store as Pacific will come to Salem all "hopped" to break into the win column with at least one game.

Coach Keene will start his regulars as usual but may make several substitutions if his men succeed in piling up a safe margin.

Whether Edwin Cardinal can collect 20 points and go into the conference and in the score per game over Crocodile, Whitman guard, will be an interesting feature. In the first game against Pacific this season, Cardinal looped in only five baskets for a 10 point total. The first game with Pacific was the occasion for Cardinal's greatest scoring session. He garnered 21 points.

The game tonight will be preceded by a contest between the Willamette-Pacific faculty players and the Oregon state faculty team. Coach Leo Frank, and Assistant Coach L. Hoar, of the Pacific Badgers staff will coach "Spec" Keene, Assistant Coach Leslie Sparks, Red Denman, and Cecil Monk of the Willamette faculty in making up the squad from which a team will be selected to meet the Oregon state teachers.

DUCKS WORK HARD FOR TOURNAMENT

The Salem Ducks are practicing carefully this week for the district championship tournament which will be held on the Y floor Friday and Saturday, with teams from Salem, Portland, Longview, Eugene, Ashland, and Astoria entered.

Most of the visiting teams will have ex-college and high school stars in the lineup, and they are champions of their respective cities.

The Hounds of Eugene, last year's champions, have the same team with the exception of Harold Rowley at center, an ex-OSC player. He will appear in the tournament, however, as he is playing this year with the Portland Panthers. He is not only a fast center, but is an excellent team general and can keep the men together for a pull out of tight pinches.

The Eugene Hounds are all college men from University of Oregon.

Ashland's stars are McGee, lanky center, who is a four year high school letter man, and Jim Witter, star forward, who made a name for himself as quarterback on the Ashland football team as a quarterback, completing 26 out of 30 forward pass attempts against Medford high school. He is a dangerous double threat man.

The Astoria team, from the home of Westergren, former Oregon star, is made up of Finns and Swedes, noted for basketball skill. Most of them are ex-Astoria high school stars.

Drawings will be made Friday afternoon and the games will start Friday evening, at seven o'clock. Arrangements are being made to seat a large crowd.

Emil Piluso, who officiates at OSC and Oregon games, will be referee. Spec Keene, Louis Anderson, Earl Douglas, and Leslie Sparks will assist as officials.

The final games for the championship and consolation honors will be played Saturday evening.

McKITTRICK HAS TWO TITLE FIVES

W. B. McKittrick, former Willamette university athletic star, is having signal success as coach of athletics at Arcata, California, according to reports received here.

The Arcata Firemen's basketball team, coached by McKittrick, won the championship of the Humboldt-Redwood league, and the Arcata high school, also coached by McKittrick, won the interscholastic championship this season. The firemen's team is an independent squad.

WALKER, WILLIS TO FIGHT TODAY

SAN FRANCISCO, Feb. 21.—(AP)—Mickey Walker's middleweight title will not be at stake tomorrow afternoon, but he will trade leather with a terrific puncher whose record numbers many knockouts when he meets Jack Willis, Texas, in a 10 round bout at the armory.

The slugging Texan is conceded an outside chance however, with Walker a top heavy favorite at three to one.

PARRISH QUINTET GOES TO EUGENE

Coach Frank Brown will take his Parrish junior high players to Eugene tonight for a game against Roosevelt junior high there. Diets will start at center; Kitchen and James at forward; and Pettit and Segura at guard.

INDIANS DEFEAT ALBANY COLLEGE

CHEMAWA, Or., Feb. 21.—(Special.)—Chemawa ended its basketball season here tonight with a victory over Albany college, 33 to 22, in a slow, listless and rough game.

The Indians held a one point lead at the half, 15-14, and the play speeded up somewhat as Rasmussen began to loop in baskets. He garnered 18 points.

Several personals were called on both teams. Summary: Chemawa (33) (22) Albany George (8) F. (8) Ford Rasmussen (18) C. (2) Barport Spencer (4) (2) Houston Peratrovich (11) G. (2) Campbell Referee, Leslie Sparks, Willamette.

LEWIS WILL TAKE ON ALL COMERS

BY CHARLES W. DUNKLEY Associated Press Sports Writer

ST. LOUIS, Feb. 21.—(AP)—Ed "Strangler" Lewis, jubilant today in his triumph last night over Joe Stecher, pledged himself to meet any outstanding challenger for the heavyweight wrestling title, anywhere, anytime, a suitable offer was forthcoming.

Billy Sandow, his manager, received numerous offers, one of \$20,000 from Chicago, for a match with Hans Steinke, the ponderous German. Steinke is recognized as the world's heavyweight champion by the New York athletic commission and has been seeking a match with Lewis ever since he became a threat in the heavyweight ranks.

Stecher and his brother-manager, Tony, were not discouraged by the defeat, but they protested mildly over the decision of Harry S. Sharpe, the referee, in awarding the third and deciding fall to Lewis. One of Stecher's legs was off the mat and the other was entangled in the lower rope of the ring when Lewis clamped his vice-like grip on Stecher, forcing his shoulders to the mat.

Tony Stecher said the men were supposed to go to the center of the ring and resume a standing position if they went to the edge of the ring or became entangled in the ropes. He said the fact that Joe's legs were waving in the air over the edge of the ring and the ropes, made it impossible for him to defend himself because he could not put his feet on the mat or bridge.

The match was not such a lreary show for Promoter Tom Packer as all, although the slow-moving, cautious bout did not produce many thrills for the spectators. Although no official figures were available, it was estimated the receipts were around \$60,000 to \$63,000, with a crowd estimated at 6,500.

Lewis was reported to have received 30 per cent of the net with 50 per cent of the net going to Stecher. It was figured that under his division Stecher might draw down \$29,000 with \$19,000 going to Lewis.

The consensus today was that the match was nonstop contested.

NOME DOG DRIVER GAINS UPON RIVAL

QUEBEC, Feb. 21.—(AP)—Leonhard Seppala, 50 year old dog nushing wizard of Nome, Alaska, flipped eight minutes and 48 seconds today from the lead youth Emil St. Godard of the Pas, Kan., had established in the first race of the Quebec International log derby yesterday.

As a result St. Godard will start the final day tomorrow with an advantage of but one minute and 20 seconds. Seppala's splendid performance today set the stage for what may turn out to be the greatest test of the dog driving skill in the history of the game.

Seppala's dogs as well as himself, were tired but after a night's rest will no doubt be ready for the grind again in the morning. St. Godard held his team back to their normal gait today knowing that he would have to work them tomorrow if he is to win.

Quart of Water Cleans Kidneys

Take a Little Salts If Your Back Hurts, or Bladder is Troubling You

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take tablespoonful in glass of water before breakfast, and in a few days your kidneys may act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications.

TOMMY LOUGHRAN CAN'T FIND MATCH

NEW YORK, Feb. 21.—(AP)—The crown that Tommy Loughran captured from Mike McTigue and promised to defend once a month if possible against the best of the light heavyweights is going into mothballs for three months—but it's not Tommy's fault.

Lack of a suitable opponent and a date that does not conflict with either a welterweight championship match or one of the heavyweight extravaganzas in Tex Rickard's elimination "finals" has forced Loughran's inactivity. The 175 pound titleholder declared on his return today to New York after a month's cruise through the Caribbean.

Decision to sidetrack Tommy for the time being will permit a match between Leo Lomski who already has failed to lift the championship mantle, and Joe Sekyra of Dayton, latest sensation in the light heavyweight ranks. The match probably will be made for late in March with the winner meeting Loughran in a title test in April or May. Injury to Jimmy Slattery's hand has forced the Buffalo challenger from the lists temporarily.

Ace Hudkins, who trounced Sammy Baker in a vicious "rubber" match at Madison Square Garden Friday night, took his challenge of Joe Dundee to the New York state athletic commission today, but was given little encouragement.

The welterweight champion is under suspension here as a result of charges brought against him in California for failure to go through with a title match against Hudkins in Los Angeles.

Jack Sharkey posted a \$5,000 check with the commission to guarantee appearance for his match with Johnny Risko here March 12. Jack Delaney and Tom Heehey already have posted similar forfeits for the first half of the heavyweight eliminations finals on March 1.

Notice that indefinite suspension would be plastered on Madison Square Garden itself if immediate action was not taken to stop smoking during bouts, brought a promise of a special "smoke" squad employed by the garden to carry out the commission ruling.

After one warning, offenders in the future will be ejected and their admission fee returned. The "ejection" total is expected to be high whenever the garden fight cards fall to meet patron's approval.

The match was not such a lreary show for Promoter Tom Packer as all, although the slow-moving, cautious bout did not produce many thrills for the spectators. Although no official figures were available, it was estimated the receipts were around \$60,000 to \$63,000, with a crowd estimated at 6,500.

WINDS PREVENT SPEED RECORDS

DAYTONA BEACH Fla., Feb. 21.—(AP)—High winds and mechanical troubles prevented two intended attempts today on the world's automobile speed record of 206 miles an hour.

Captain Malcolm Campbell, of England, who established the international speed mark here Sunday was unable because of a stiff breeze to carry out his announced plan to better his own record.

Wilbur Shaw of Indianapolis made two preliminary tests during the day for an attempt to break the world's record of 141.7 miles per hour for four cylinder machines set here in 1922 by Bob Burman. Driving a Whippet, his motor developed spark plug trouble on the first run but he negotiated the measured mile in 33.78 seconds for a speed of 106.57 miles per hour on the second, with his motor still missing badly.

SHS SCORES FAST; RECORDS MUDDLED

ALBANY, Ore., Feb. 21.—(Special.)—Salem high basketballers went on another scoring carousel here tonight and when the timers called a halt the score keepers announced that the score probably was 50 to 20 in Salem's favor but the books varied. Anyway Coach Anderson's men went through the Albany defense for a decisive victory.

Beechler, Salem's big center, was the ace when it came to looping in baskets. His one hand flips were wonders, and he rolled up 22 points for high honors.

At times the play was ragged, but on the whole it was speed. Salem's fast charging offense worked particularly good in the second half.

Summary: Salem (50) Albany (20) Duffy (14) F. (10) Hayne Lyons (10) F. (2) Stone Beechler (22) C. (8) Kropp Ecker (2) G. (2) Palmer R. Kelly G. (2) McClain Kafoury S. (2) Vosen Siegmund (2) S. Houseworth

WARHOP REPORTS AT BEAVER CAMP

SANTA ANA, Cal., Feb. 21.—(AP)—Jack Warhop, diminutive pitcher, hopped into the Portland Beavers training camp at the Orange county fairgrounds here today to bring the Pacific Coast league club's members present to sight.

Manager Ernie Johnson also received word today from "Cowboy" Tomlin, pitcher, that he is en route here from New York.

The eight in camp are battery-men. They are Carroll Yerkes, Buzz Weisz, Fred Ortman, Kid Iveson and Warhop, all pitchers, and Eddie Almsmith, Tony Rego and John Saunders, catchers.

Infielders and outfielders are slated to reach camp February 27. The remainder of the pitching talent will report in the meantime.

WASHINGTON QUINT DEFEATS BENSON 5

PORTLAND, Feb. 21.—(AP)—The galloping Washington Quint Colonials out-manuevered Benson for a clean cut 26 to 19 victory on the Washington floor today and retained the leadership of the champion round of the interscholastic league.

A wise strategist on the Colonial lineup called time out in the last quarter to cut short a threatening Benson rally after the Mechanics had pruned down the margin to one point, 19 to 18.

After that spectacular flash as the game was nearing the close, the sharpshooters from the technical school relaxed enough to let the Washingtonians loop the basket in rapid succession for a safe lead.

SPOKANE, Feb. 21.—(AP)—The University of Oregon defeated Gonzaga university here tonight 53 to 42, in a fast and oft times close basketball game that had no conference bearing. Oregon was leading, 29 to 19 at the half, and Gonzaga later tied the score once.

PORTLAND FIGHT PUT OFF AGAIN

PORTLAND, Feb. 21.—(AP)—For the second time within two months the Portland boxing commission today called off one of its scheduled fight cards at the armory with so little advance warning that word of the postponement barely made the late editions of afternoon papers.

At 2 o'clock the word suddenly came from boxing commission headquarters that the Herman Auerbach-George Dixon fight, and the whole supporting card had been put off for one week.

The reason for the commission's action was the illness of Herman Auerbach. He caught a "flu" cold in training and there was danger of pneumonia if he fought. He was examined by Dr. R. L. Sabin, member of the commission, who positively forbade him to fight.
