Salem Boys' Chorus

Surely YOU Would Aid An Orphan!

Of course you would—and will—when the Salem boys' chorus—augmented by a group of Chemawa students—appears at the Capitol Theatre on the evening of March 6 (to say nothing of the afternoon performances).

It hardly need be said that all proceeds, above expenses, are to be used in behalf of the children's home at Corvallis.

However it might be explained that money received is to be spent in furnishing a room at the children's home.

Possibly you have imagined that there will be a surplus. There will not, because, if the money is available there will be bought a piano, a need which is long felt.

YOU will be at the Capitol Theatre either during the afternoon or evening on March 6, for

SURELY YOU WOULD AID AN ORPHAN!
