**SACKETT TALK PERSISTS**

**Will Be Appointed Governor's Secretary, Declared Here**

Reports were current here Monday that Sheldon Sackett, editor of the Telephone Register at McMinnville, has been offered the position of private secretary to Governor Patterson. Sackett probably will accept the offer, according to his friends. He would succeed Hal Hoss, who will retire from the executive department Wednesday night.

Friends of Mr. Sackett said he previously was offered the position of private secretary to Governor Patterson, but that he declined to accept because of his newspaper connections. He is a graduate of Willamette university.

**FIRM ISSUES STATEMENT**

**Overbeck and Cooke Ready to Assist all Creditors**

PORTLAND, Feb. 27 — (AP) James P. Cooke, president; Charles S. Goodwin, vice president; and Howard F. Philpott, secretary of the bankrupt brokerage firm of Overbeck and Cooke, announced tonight through their attorneys their willingness to assist the creditors of the firm in every possible manner.

The announcement, on the eve of their appearance in circuit court tomorrow to plead to a grand jury indictment of larceny by baillee, was in the form of a brief statement, issued jointly by John A. Collier, attorney for Cooke; Tom Handley, attorney for Goodwin; and John F. Logan, counsel for Philpott.

ly to arise, and be certain enough to leave town immediately, in his mind to not make mistakes,

many of which might be avoided by quick reference to authorities—and much injustice thus prevented, to say nothing of large expenses saved every year, in the cost of new trials and appeals, etc., etc.

**NAVY DIRIGIBLE MAKES FLIGHT TO CANA LZONE**

(Continued from page 1.)  
 Los Angeles averaged about 53 knots an hour, but only 44 knots on the 150 mile stretch between Cuba and Jamaica.

**Portable Mast Used**  
 The Los Angeles was made fast to a portable mooring mast constructed in the United States under the supervision of Lieutenant Commander C. E. Rosendahl, in command of the Los Angeles. If the use of this mast is successful, the field of operation of lighter than air craft will be materially increased.

This temporary mooring mast at France field is only 60 feet high and will keep the Los Angeles on the ground, with her control car and stern supported by trucks which will take up the strain on the ship. She will be
