"Sweethearts" by Idah McGlone Gibson, Secured

As its next serial story attraction, The Statesman will begin publication next Tuesday of "Sweethearts," the latest novel by Idah McGlone Gibson, outstanding American authoress. This story is expected to please Statesman readers even more than the excellent one by Octavus Roy Cohen, "The Outer Gate," which has just been concluded. Watch for "Sweethearts," the dramatic story of a girl who has to choose, in Tuesday's paper.
