EXCITING FINISH OF WHIPPET RACE

The Period for That Splendid Special Prize Ends Midnight Monday

HONOR ROLL TODAY

Thelma Haugen, Woodburn.
Zelda Parrish, Silverton.
Doris Barnett, Aumsville.
D. B. Boydston, Independence.

(By the Contest Editor.)

The climax in The Statesman's special Whippet prize in the auto contest comes next Monday.

Thelma Haugen, Woodburn, leader in Stateman's Auto Contest today.

Thelma Haugen of Woodburn is the leader in the whole contest today. This popular young lady is a prominent resident of Woodburn and is well and favorably known not only in that city but in the entire surrounding country.

Her father has been in the real estate and insurance business in this community for some time and has made a host of friends.

Thelma is building up an organization that is gaining strength daily. She and her friends expect to gain enough momentum not only to win the Whippet but the Oakland at the finish of this great contest.

Her friends are not only wishing her success but are sending in their coupons and their subscriptions every day. She is to be congratulated for the splendid effort she is making.

This will be the close of three weeks of enthusiastic work and hustling on the part of the candidates in The Statesman's big automobile contest. The Whippet campaign will culminate in the final scene Monday, March 12, at midnight. There is a magnificent $687.00 Whippet coach which will be awarded to the candidate that secures the most money on old or new subscriptions for the three weeks ending that date.

Never before in the history of Marion and Polk counties has there been such a distribution of awards as this Whippet coach and the other prizes, and never before has there been such an exciting battle to win them. First one candidate leads and then another candidate, then a candidate from well down in the list will take the lead and set the pace for the race for a time. Notwithstanding any report to the contrary, nobody has any of the prizes cinched in the race. The grand final winner for the Whippet will probably be determined by the subscriptions turned in between now and Monday, March 12, at midnight.

An Exciting Finish

In order to be fair to every one, contestants outside of the city of Salem will be allowed place their last report in the mail not later than midnight Monday, March 12, the postmark on the letter will be considered as satisfactory evidence.

All candidates are now devoting every minute of their time to getting in all the votes before the closing hour, and the enthusiastic boosting of their friends is proving an important factor in the race. More interest is taking place now than at any time since the contest started, which indicates that the interest of the public is keener now than at any other time. The awarding of this special Whippet prize will be the biggest current event in Marion and Polk counties. Interest bordering on excitement will prevail all day Monday and up to midnight, Monday.

Some Hard Workers

Zelda Parrish of Silverton is making a wonderful race. Her enthusiasm is so spontaneous that it becomes contagious and it brings new friends to her banner every day. We predict that Zelda will be a very serious contender in the finals.

Doris Barnett of Aumsville has jumped into a foremost place and has wonderful potential possibilities if she would make the necessary effort to organize her friends and her own time for the next few days.

Delores McKinnon of Stayton and Mrs. J. H. Johnston of Lyons are active, and we expect to hear from them shortly. We believe that they have the ability to gain a high standing in the contest if they will work consistently for a few days.

We received quite a number of voluntary votes for Miss Margaret Berndini. This young lady must have a considerable number of friends in various parts of this district.

Votes are coming in for Nina Williams and Gladys McDonald by mail from parts as far distant as Los Angeles.

Hazel McMorris also received a number of votes today from San Francisco, Calif.

FOSTER FRIENDSHIP

LEGION MEN ACTIVE IN INTER-CITY RELATIONS

In addition to the many other services of a public character which it performs, the American Legion is an important factor in inter-city communication and friendly relations. Visits between legion posts are frequent, an example being the trip made by members of the Salem post to Eugene last night to assist in an initiation ceremony for the Eugene post.

NEW INCORPORATIONS

The Star Air Line, Inc., with headquarters in Portland and capital stock of $20,000, has been incorporated by James E. McAustin, James Harry Snodgrass, George H. Glass and John R. Allen. Articles were filed in the state corporation department Thursday.

The U. S. Development company has been incorporated by C. W. Bordes, J. C. Bryant and Karl Hebring. The capital stock is $24,000 and headquarters are in Portland.

Notice of dissolution was filed by Heath and Cornack of Portland.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

Are You All There?

Chemical analysis of the human body shows that it is composed of the following elements: Oxygen, Carbon, Hydrogen, Nitrogen, Calcium, Phosphorus, Potassium Sulphur, Sodium Chloride, Magnesium, Iron, Iodine, Fluorine, Silicon, Zinc, Manganese.

You supply your body with these chemical elements through the food you eat, the air you breathe and the water you drink.

Good health depends much upon the chemistry of the body, as thus supplied and maintained. Many refined foods in common use today are lacking to an alarming extent in these vital and health promoting properties, and this deficiency is responsible for many chronic ailments.

Pacific Health-Ore

is rich in the majority of these elements and its use has accomplished marvelous results in restoring health. Give Nature a chance—you'll be surprised at her response.
