## CONTEST NEARING LAST GRAND RUSH

The Ballot Box Is Sealed, and the Big Victory Is Anybody's Still

(By the Contest Editor)

Saturday, March 10, brought a big shower of voting coupons from the various candidates in The Statesman's automobile contest. The contest editor's desk was stacked with coupons from the contestants and their many friends. Several contestants stated that they did not know they had so many friends until they got into the contest, as friends came from every quarter bringing coupons for their favorite candidates. Young and old, from every part of The Statesman field, sent or brought in coupons for their friends.

The third vote period closed Tuesday, March 13, and we are now on the last vote schedule of the great contest. The ballot box has been sealed and will remain sealed until it is handed over to the committee of judges after the close of the contest. Candidates may poll their votes at any time in the sealed ballot box between now and the close of the contest next Tuesday at midnight, or place them in the mail not later than midnight next Tuesday. The sealed ballot box will be handed over to the committee of judges at the close of the contest to decide on the prize winners.

The bonus offer, namely the 100,000 free bonus for every \$10 worth of subscriptions, is now in force and will continue until March 20 at midnight when the contest closes.

**Present Work Counts**

Contrary to expectations no one has the prizes yet, no one has a lead that can not easily be overcome between now and the close of the contest. The work done between now and the close of the contest will undoubtedly determine the grand prize winners.

All the wide awake candidates are struggling vigorously for supremacy in the election with the realization that the final results will depend almost entirely upon these last few days.

**Is a Real Race**

This is a real race. Real candidates are competing. Just look over the list of candidates. Are they not all representative folks? Winning in this election means more than merely winning the first grand prize—it means victory over one of the most formidable assemblages of candidates this community has ever seen competing for truly extraordinary prizes.

All this community is watching this campaign. Watch every candidate, waiting to see who can command the greatest support, who can win the big prizes. There is no other way to win except by the hardest kind of work during the remaining days of the contest.

**Some of the Workers**

Mrs. Hoogerhyde is making a wonderful effort in the great contest. She has a million dollar line of talk and knows how to deliver it. She is making a wonderful race and has a great many friends among the Methodist people of Salem. She is making a splendid race. Mrs. Hoogerhyde has the best wishes of a host of friends hoping she will win the prize of her choice.

Prepare a harmless and effective gargle by dissolving two "Bayer Tablets of Aspirin" in four table-spoonfuls of water. Gargle throat thoroughly. Repeat in two hours if necessary.

**Sour Stomach**

"Phillips Milk of Magnesia" Better than Soda

Instead of soda hereafter take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowel and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips" Twenty-five cent and fifty cent bottles, any drugstore "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1876.—Adv.

Mrs. Leo Gronke is working hard and getting subscriptions every day. She has a lot of friends who wish her success and hope that she wins.

Nina Williams is surely going like a whirlwind, as she feels that it is her duty to make good the hope and expectations of her friends.

Carol Smith called in the office the other night to see us. He had a broad smile and a new hat. Carol makes friends wherever he goes, and we believe that is why he found vote coupons coming in for him from every direction. Step on the gas, Carol; we believe that you are as good as anybody else if you only think so.

Mrs. J. H. Johnson of Lyons, Oregon, wishes her friends to know that she is in the race, and would appreciate their cooperation.

Mrs. H. E. Donaldson is doing good work.

The subject being studied in the geography class is this frozen country, and to make the far-away subject more realistic, the project method of teaching is being used, with the students' aim to work out

I feel a lot better now since I have been taking it regularly and I can eat most anything. I recommend your medicine to anyone who tells me of troubles like my own, for I know what it has done for me. I have also used your Sanative Wash. ## PLAY BIG SUCCESS

**CLEAR LAKE GROUP PRESENTS "GO SLOW, MARY"**

CLEAR LAKE, March 14.—(Special)—The Clear Lake Literary society presented an excellent play last Friday evening, at the schoolhouse. The comedy, "Go Slow, Mary" is a better type of play than usually attempted by local amateurs. One fact that was important in this presentation, was that each person taking part acted his or her particular character with almost equal skill.

Perhaps the part of Mary Abbey deserves mention above the rest of the cast. This difficult and emotional role was unusually well-acted by Miss Mabel Clement.

The complete cast is as follows: Billy Abbey, a young husband out of a job; Mary Abbey, his discontented wife; Mabel Clement; Mrs. Berdon, Mary's mother; Sophia Garner; Sally Carter, Mary's bosom friend; Marie Harold; Harry Stevens, Sally's sweetheart; Calvin Mason; Bert Childs, Billy's friend; Will Stolk; Bobby Berdon, Mary's young nephew; a holy terror, Harrison Fry; Dolly Berdon, Mary's niece; another holy terror, Wilma Garner; Katie, the abbey's maid; Hope Ingalls; Danny Grubb, an ice-man, suitor to Katie; Harvey Girod; Murphy, a policeman; Danny's rival, John Meithoff.

The Clear Lake ladies improvement club will hold an all day meeting at the home of Mrs. Theodore Stolk on Thursday, March 15. A potluck dinner will be served at noon.

**Dog Sled Utilized to Take Food to Stricken Village**

SAULT STE MARIE, Mar. 14.—(AP)—Use of a dog sled in what may prove to be a race with death to the snow bound and famine-threatened village of Detour was planned today following the receipt of word by telephone that persons in the isolated area was critically ill.

The sled, to be drawn by seven husky dogs and guided by Dr. John F. Deadman, veteran dog owner and pioneer prospector, was to carry 100 pounds of food, tobacco and medicine in a 60-miles race over the trackless snow barrier to the stricken town, now seriously faced with suffering from hunger and cold.

**RHEUMATISM Cannot Exist in the Human Body**

It is now absurd and preposterous to suffer rheumatic pains from muscular, inflammatory, sciatic, neuritis, lumbago or any form of rheumatism.

Trunk's Prescription does not depress the heart nor ruin the stomach, and so dieting is necessary to make it effective. Trunk's Prescription contains no harmful drugs, but combines ingredients designed to positively overcome any kind of rheumatism. It is impossible to get something better. What more do you want? An ideal Uric Acid Solvent and Liver Medicine anyone can use with safety and satisfaction; manufacturers established 85 years.
