Forest Week Observance Urged By Oregon Governor

Citizens of Oregon are urged to observe "American Forest Week," April 22 to 28, in a proclamation issued by Governor Patterson here Thursday.

"We look to the forests," read the proclamation, "to furnish us with the wood products that mean so much to our prosperity and happiness. They insure a large industrial payroll, tax revenue, water for irrigation and other domestic purposes, hydro-electric development and a place for recreation and rest.

"Hence, forest removal without thought or action toward renewal can result only in involving the state and future generations in unnecessary hardships. It is our duty as patriotic citizens to foresee and prevent this in so far as lies in our power."
