

Gordon Beats Bayes Decisively in Hard Battle

GOB TAKES EVERY ROUND AFTER 2ND

Sailor Willie Gordon, 125 pounds, of Seattle, operating two living sledge hammers which were in motion at all times, won a decision over Phil Bayes, 126 pounds, of Salem in a 10 round main event bout in the local armory last night. Beginning with the third round, the fight was Gordon's, who at that point opened up with hard rights and lefts to Bayes' head and body, which left him pretty well battered up at the finish. The first two rounds were even, with Willie taking the other eight decisively.

He was not until the sixth round that Bayes landed his first good blow on the sailor, a left to the body. The fight was featured by many clinches, especially during the last rounds, which slowed the battle considerably.

During the first two rounds both danced about the arena, doing little damage. In the third round Gordon rushed from his corner and let loose several short blows to Bayes' head and body, which didn't do him any good, and at the end of the round, the red was beginning to show on Bayes' face.

In the fourth Bayes met a hard right to the head which nearly whirled him out of the ring. This round was featured by more and more clinching with the crowd booing, the Seattle brawler meanwhile continually scoring hard rights and lefts to Phil's body and head.

The fifth and sixth ended in about the same way with Phil taking a severe punishment, but still standing up and landing a light right or left now and then but doing little damage. In the seventh round the sailor handed Bayes a hard right to the head which opened his right eye.

The eighth and ninth rounds found them still going at the same rate, Willie handing and Phil on the receiving end, taking them one after another.

The tenth round opened with both landing shots to the head and body and it looked as though Bayes was beginning to open up, but they were soon locked in another clinch which led them back to the same old grind. At the finish Bayes was a pretty sore boy, battered over every inch above the belt, with blood smeared over his face and body.

Considering the stormy weather, a fairly good crowd attended the bout. Everyone went home satisfied that the Seattle knuckle swinger was under the conditions the superior boxer, of which many had been in doubt since their last bout.

In the curtain raiser, Harry Savage of Albany and Young Hickman of Salem fought a draw in one of the toughest encounters of the evening.

Eddy Graham of Salem fought in real championship style to secure a technical knockout over the battling Whistle of Eugene in the second round of their four round encounter. Whistle hit the canvas three times in the first round and once in the second. Whistle was one of the gampest fighters ever to appear in this city, taking much punishment.

Harold Lloyd, commonly known as Buzz Rumley of Eugene won a referee's decision over Pete Willett of Salem in the four round bout.

In a slugging match from start to finish, Kileen of Independence won a decision over Roy Jacobs in their struggle. Both put up a wonderful battle, each receiving his share of punches, but Jacobs weakened in the last round. Both were 145 pound fighters.

TED THYE WINNER OVER KAUFFMAN

PORTLAND, Apr. 4.—(AP)—Ted Thye, Portland, wrestler, defeated Clete Kauffman of Columbus, Ohio, in two consecutive falls in a main event here tonight. Thye won the first fall in 37 minutes 7 seconds, throwing Kauffman with such force that the Ohio grappler was dazed. In his groggy condition Kauffman offered little resistance to a wrist lock and went down for the second fall in less than one minute. They are both light heavyweights.

TALK SLIP MADIGAN AS OREGON MENTOR

EUGENE, Apr. 4.—(AP)—Word that Ed Madigan, football coach at St. Mary's, is being considered for the coaching position of the University of Oregon is "news" to Virgil Earl, athletic director at Oregon, he said tonight when told of the reports from California. Madigan was approached three years ago before Captain John J. McEwan, present coach, was employed. Captain McEwan's contract has two years still to run. Jack Benefiel, graduate manager, was out of town tonight and could not be reached. Coach McEwan had heard nothing of the matter.

Jack Benefiel, graduate manager, denied that he had offered Madigan a position as coach. Coach McEwan had heard nothing of the matter.

Benefiel said he had talked with Madigan before Captain McEwan was signed in 1925. At that time he said, he did not make an offer to the St. Mary's coach but only discussed the situation informally.

"I have not talked to Madigan for three years," Benefiel declared, "and I have never approached him with an offer to coach at the

university. We have a coach now on a five year contract and there is no reason to the rumors that Madigan has been approached."

OAKLAND, Cal., Apr. 4.—(AP)—While friends and associates expect him to stay on the job, persistent rumors have been heard in local sport circles that Ed "Slip" Madigan, athletic coach at St. Mary's college may take over the football leadership at the University of Oregon before long.

Madigan's contract expired Monday and since then his name has been linked by gossip with the Oregon coaching berth. It is understood that Jack Benefiel, graduate manager at Oregon, discussed the proposition with Madigan last year but that the latter placed such a high figure upon his services the matter was dropped.

Young in years but old in experience, Madigan has made a great name for himself at St. Mary's especially by victories in recent years over the two big universities—California and Stanford. On the present subject, Madigan is silent and so far has even declined to deny or confirm reports that he has been approached with offers. It is known however, that some Oregon alumni are greatly anxious to have him take over the coaching reins. At St. Mary's the feeling is that he will come to terms to renew his contract next week.

CRICKSHANK LEADS FIELD

RICHMOND, Va., Apr. 4.—(AP)—Lobby Crickshank, Purdys, N. Y. pro, played in a 70 today for the second of the Richmond open tournament with a total of 142 strokes for the 36 holes. Wild Bill Mehlhorn's 69 today gave the Pittsburgh pro a total of 143 for the 36 holes and placed him second, three strokes ahead of third Clarence Hackney of Atlantic City. Anthony Long of Mount Vernon another pro, who tied for third place.

VEGA, Texas, Apr. 4.—(AP)—Completing the trek across New Mexico, the cross country foot racers entered the Panhandle of Texas today, led by Peter Gavuzzi Southampton, England, who was the first to reach Vega by dint of stepping the 37.3 miles stretch from Glen Rio, N. M. in 5:14:10. Only 20 seconds behind the hardy English runner was Olli Wantinen, New York. Arne Souminen, Detroit, leader in the derby on the basis of elapsed time, was third in 5:34:40.

Acid Stomach

"Phillips Milk of Magnesia"
Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly. For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.—Adv.

YANKEE NET STARS TO PLAY IN MEXICO

MEXICO CITY, Apr. 4.—(AP)—Playing in splendid form, Bill Tilden defeated both Junior Coen and Arnold W. Jones today in practice matches designed to bring the American team into top condition for the Davis cup matches between the United States and Mexico here beginning Friday.

After disposing of Coen, 6-1, 6-3, 7-5, Tilden defeated Jones, 6-3, 6-2. Paired with Jones, the American team captain then defeated John Hennessey and Wilmer Allison, 6-0, 6-4, 6-3.

The Americans plan to continue hard work tomorrow with a light practice session on Friday morning.

Coen's skill aroused much enthusiasm from the Mexican spectators. Tilden said that the high altitude of Mexico City has not affected him. He is well satisfied with his condition and that of his fellow tennis players from the United States.

WEISSMULLER WINS FREE STYLE SWIM

CHICAGO, Apr. 4.—(AP)—The "human fish," Johnny Weissmuller of the Illinois Athletic club retained his 100 yard free style indoor swimming title at the national A. A. U. championships tonight, defeating his nearest rival, Walter Laufer of the Lak Shore A. C., Chicago, by two yards. His time was :50.8, one second slower than his record.

Paul Samson, also of the I. A. C., was third and George Kojac of the New York boys club was fourth.

Weissmuller and Laufer fought on even terms for the first three laps but Johnny's superior stroke pulled him to victory in the final lap.

ARCHERY TOURNAMENT HERE DRAWS MANY

A state archery tournament was held in this city last Sunday with the various clubs of the state competing. Clubs represented were Portland, Corvallis, Albany, Lyons, Astoria and Salem. Some 50 persons attended. Thirty-one of these registered to compete in the tourney.

An interesting feature of the shoot was the organization of a state archery association, which is believed will promote more interest in the sport throughout the state. This shoot was sponsored by the Salem American Legion Archery club. Officers elected were Dr. Cothran of Portland, president; Lyle B. Dunsmoor of Salem, vice

Millions of Families Depend on Dr. Caldwell's Prescription

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as they are today. People lived normal, quiet lives, at plain, wholesome food, and got plenty of fresh air and sunshine. But even that early there were drastic physical and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings to put into their system. So he wrote a prescription for a laxative to be used by his patients.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

Under successful management this prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that millions of bottles are used a year proves that it has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and if you will once start using it you will also always

The Last of Pyrotol Announced by U. S. Government

The FIRST Announcement of **AGRITOL** The NEW Explosive for Land-Clearing
Manufactured by E. I. du Pont de Nemours & Company, Inc.

Pyrotol is no more. The supply of war explosives is exhausted from which Pyrotol was made. But there is now ready to use a new land-clearing explosive, AGRITOL, made by the du Pont Company which cartirged Pyrotol for the Government. AGRITOL can be used stick for stick—the same as Pyrotol.

We have laid in a good stock of Agritol in anticipation of your spring land-clearing needs. Also a fine assortment of blasting accessories—blasting machines, electric blasting caps, leading wire, caps, fuse and cap crimpers. Good blasting caps are especially important. Don't try to use any kind of explosive with poor caps—it's too dangerous and too wasteful.

Advantages of AGRITOL:

Economical because it has more sticks to the pound: About 172 sticks to the 50-lb. case instead of 150 sticks of Pyrotol, or 86 sticks to the 25-lb. case.
Additional Strength: Enough to heave out the large stumps.

Easy and safe to handle: Much less inflammable; resists moisture; and doesn't waste when cut in half or slit for loading.
Equally effective on all agricultural work: Stumping, heaving out boulders, tree-planting and subsoiling.

Prompt delivery of Agritol and blasting accessories. Your phone call starts our truck on its way.

EXPLOSIVES FOR FARM IMPROVEMENTS

That many million men can't be wrong

FIGURES show that more Prince Albert is smoked by experienced jimmy-pipers than any other brand. You might give any of a dozen reasons why they bought their first tin of P.A. But their tenth and their hundredth . . . only demonstrated quality can account for that! Wouldn't you say so?

The very fragrance of P.A. is an indication of the quality-taste still to come. The first fire-up makes good on the aromatic promise. Cool as a steeple-jack doing his stuff. Sweet as getting back to earth again

safely. Mild and mellow and long-burning. Some tobacco, Men, and no mistake!

If you don't know the joys of a pipe packed with P.A., get busy and make up for lost time. No matter what your present set-up may be, try Prince Albert. It is not an experiment, but an experience—a little journey into a land of pipe-joy that you'll take many times every day.

The revenue stamp tells you—TWO full ounces in every tin.

PRINCE ALBERT
