#### FIRST HOME TALENT AFFAIR IN SEVERAL YEARS

**NORTH HOWELL, April 4.**—(Special)—The program which was given at the Central Howell church last Saturday night was enjoyed by a large crowd. This was the first time for several years that a program of this nature had been put on in this community by local talent. Credit for this program is largely due Mrs. R. C. Ramsden who was chairman of the committee. The community spirit was also admirable as nearly all who were asked to help did so willingly.

A beautiful cake was given to the man who received the most votes as the ugliest man present. Lunch was served in the basement and a satisfactory sum was made with which to buy school equipment.

Mrs. A. A. Hall entertained in honor of her daughter Lucille on her seventh birthday on Monday afternoon from three to five o'clock. After playing games, which all enjoyed, a dainty lunch was served with the birthday cake as a center piece and Easter novelties as decorations. The children present were Evelyn Hall, Evelyn Plunkett, Donald Steffen, Marjorie Herr, Joyce Simmons, Clarence and Robert Simmons and the little hostess, Lucille Hall. Mrs. Hall was assisted by her niece, Mrs. Bertie Bye.

Mr. and Mrs. Dan Steffen motored to Portland Sunday with their family to visit Mrs. Steffen's

mother, Mrs. Lelsey, Joyce and Rita Steffen remained for a longer visit, their parents returning on Monday.

#### SEEM TO LIKE WEATHER; TIRES PRINCIPAL PREY

Prowlers took advantage of the lovely weather Tuesday evening and managed to get away with a few odd things such as tires, rims, chains, etc.

W. L. Price reported to local police that a tire and rim were taken from his automobile which was parked on 19th street near Nebraska street. Another similar case occurred at 795 Trade street, where George Person reported that thieves had removed a tire and rim from his machine which he had parked near his home last night. It is believed that both tires have been stolen by the same party.

A. N. Janssen reported that a one ton hoist chain was stolen from the Terminal Ice and Cold Storage plant located at North Front street, sometime last night. Parrish Junior high school was entered by prowlers Tuesday for the third time in a month, the drawers of the office rooms being thoroughly ransacked, but nothing of any value was reported missing. The building was entered by jimmying the private entrance. Every drawer in the office had been taken out, and papers were found scattered all over the floor this morning. Officer Thomason made an investigation but could find no clues as to who had entered.

**PORTLAND, April 4.**—(AP)—Audit of the books of the municipal boxing commission, not only under the present administration, but for the entire history of the commission was ordered by the city council today at the request of Frank J. Honeyman to the effect that expenses of the commission were being padded and said that he thought it would be well to look into the expenses of the commission during the time that Honeyman was chairman.

#### Sudden Deluge Washes Houses From Foundations, Report

**SHAWNEE, Okla., Apr. 4.**—(AP)—A deluge of rain whirled through Shawnee tonight, poured a torrent into the lowlands, washing many houses from their foundations and rendering possibly one thousand persons homeless. Hall beat down the boughs of trees, smashed scores of windows and penetrated roofs to admit water into the interior of buildings. The city was plunged into darkness.

### 73 REDS PUT TO DEATH

#### Total of 303 Communists Executed Up to Present Time

**CANTON, China, Apr. 5.**—(AP)—Continuing their efforts to thwart any attempt of an uprising, the Canton authorities today executed 73 more Reds. This brought the total executed in the recently revealed communist plot to 303. The atmosphere is tense since the Reds have boasted that their deaths would only make the communist movement stronger.

### SHOT WITH SOAP BULLET

#### 15 Year Old Wallowa Youth In Critical Condition

**WALLOWA, Ore., April 4.**—(AP)—Joseph Poulson, 15, was in a serious condition in a hospital here today after being shot by a fellow pupil in a local school at the close of a dramatic rehearsal. A revolver had been used in the scene and had been loaded with a piece of soap. Reports said the weapon was picked up by the other lad, who held it near Poulson's breast and fired.

At the close range the load was shot with such force that it penetrated a sweater and other clothing, passed through the left lung, and lodged near the heart.

City of Los Angeles defeated the University of Oregon in a contest here tonight. The decision was two to one for the California men who opposed the proposition that the United States should refuse to protect property that is owned by her citizens and situated on foreign soil. Ernest Jacetta, Portland, and Ellsworth Plank, Junction City, composed the Oregon team and Arthur Wolfe and Murray Chopiner represented the Los Angeles school.

have announced themselves as against any tax cut and little support from that quarter is expected by the minority. The secretary's proposal to limit the reduction in the 13 1/2 per cent corporation tax to a 12 per cent rate rather than the 11 1/2 per cent figure voted by the house, was accepted after demagogues were defeated on motions for an 11 per cent final and 11 1/2 per cent rate. The insistence of Mr. Mellon that a limitation of \$200,000,000 be made on the total reduction allowed by the bill also was seconded by Chairman Smoot. On this Senator Simmons declared for a total \$300,000,000 slash or at least a figure as high

as was approved by the house—\$290,000,000 slash or at least a figure as high as was approved by the house—\$280,000,000. He did not have the entire support, however, of the minority members. Senator King of Utah, desiring to stand by the \$200,000,000 limitation until the extent of appropriation was more definitely determined.

Senator Simmons gave notice also that he would carry his fight for a larger cut on the corporation tax to the floor but he did not seem enthusiastic about his prospects for success there. Republican independents who hold the balance of power in the senate have declared against any tax reduction in favor of retirement of the national debt and are expected to support the administration's fight for a minimum cut.
