

MISSIONARY TELLS JAPAN CONDITIONS

Cootie Will Describe Yokohama Earthquake In Last Meeting Tonight

(Contributed)
Missionary Leonard W. Cootie from Japan, who is speaking at the Emmanuel Full Gospel mission, located at 420 State street upstairs over the "Man's Shop," is painting some vivid word pictures of Japan and its spiritual and moral conditions.

He is an able and practical speaker and depicts with living reality the great cities with their teeming millions who grope in heathen darkness for some way out of sin and fear of impending judgment, openly bowing down in misguided devotion and burning incense to idols which are dead and dumb and blind and which cannot sympathize or save.

Many of them in their despair commit suicide with the avowed purpose of seeking to find a living God in the next world, since they have failed to find Him in this one. He says there is an average of four every day in Tokyo alone who commit suicide. In one case a family of five were cut off from the land of the living in their search for peace, the parents killing their children and throwing them into a well and then taking their own lives. He says that this case is only typical of thousands.

Another is that of an educated man who sought for peace and pardon in all the heathen religions and finding none, deliberately took out his knife and cut off his little finger to atone for his sin. Is it any wonder that great crowds throng his meetings and eagerly receive the "glad tidings of great joy" and humbly bow at the foot of the cross of Jesus where they finally find that pardon, peace and purity of heart which every human heart instinctively longs for. They find that Jesus Christ is that true and living God and Saviour for which they had long been searching and that He really takes their sins away; experimentally and fills their hearts and lives with heavenly joy and brightness and they show their appreciation by their steadfast devotion and service to Him.

At present Mr. Cootie has charge of seven missions and a bible school in which native workers are trained. He expects to open up several new missions every year. He has a vision of a nation-wide revival for Japan. He says "the Japanese place great emphasis on education and modern civilization but spiritually they are enveloped in awful heathen darkness. Truly there is a great famine for the Bread of Life. There are sixty million souls in Japan and very few have ever heard the simple, life-giving story of Calvary."

Tonight (Friday) at 7:45 Mr. Cootie will describe the terrible Yokohama earthquake and his harrowing experiences there, in which 100,000 (official figures) were killed in one minute. He says it is utterly impossible for human tongue or pen to fully describe this great disaster, no doubt the greatest in all time. The public is invited to this lecture but it will be necessary to come early to get a seat. This will be his last meeting in Salem.

BOURBON-G.O.P. TAX FIGHT GETS HOTTER

Reduction Plan As Backed By Republicans Opposed "To the Limit"

WASHINGTON, Apr. 5.—(AP)—The republican-democratic battle over tax reduction broke out in all strategic sectors at the capitol today while the minority members of the senate finance committee were winning their point for a revival of open hearings on the legislation.

Announcement of the senate democrats' program for a total slash of \$300,000,000 brought a prompt rejoinder by acting Secretary Mills at the treasury that such a plan if successful meant a \$100,000,000 treasury deficit next year, but over in the house, Representative Garner of Texas, leader of the democratic minority here on tax legislation, was serving notice that he would fight to the limit the reduction plan submitted to the senate by Secretary Mellon.

With the contest gaining heat, another delay in early disposition of the measure came about through the decision of the senate committee, which now has the bill, to reopen public hearings. They will be started next Monday upon the demand of the democrats.

Automobile manufacturers and their representatives of the industry who have been opposing the administration in its contention that the 3 per cent automobile rate could be retained will present their case to the committee first. The house repealed this tax and senate democrats have announced favor of repeal of the levy, which nets about \$66,000,000 annually.

Chairman Smoot of the committee, who opposed open hearings in the case of the extensive hearings conducted by the house, was present

D. A. R. Shows K. K. K. Color William Allen White Says

EMPORIA, Kas., April 5.—(AP)—A connection between the leadership of the Daughters of the American Revolution and the Ku Klux Klan was charged by William Allen White, Emporia editor and author, in a statement issued here today.

Inclusion of his name on a speakers' black list of the D. A. R. Mr. White suggested was in retaliation for his fight on the Klan four years ago as a gubernatorial candidate in Kansas.

Mrs. Alfred J. Brouseau, president-general of the D. A. R., the editor asserted, was responsible for the blacklist which includes numerous organizations as well as individuals. He declared it was issued without the approval of the national board of management of the D. A. R.

"This list," he said, "goes out of its way in what Mrs. Brouseau calls her propaganda for preparation to pick out and include the peculiar enemies of the Ku Klux Klan. The D. A. R. has yanked the Klan out of its cow pastures and set it down in the breakfast room of respectability, removing its famous hood and putting on a transformation."

"The list particularly picks out organizations affecting colored people, Jews and Catholics."

Mr. White named the National Catholic Welfare Council, the League for Jewish Women and the

National Association for the Advancement of Colored People as organizations under the D. A. R.

"Mrs. Brouseau is a lovely lady with many beautiful qualities of mind and heart," Mr. White said, "but in her enthusiasm she has allowed several lengths of Ku Klux night to show under her red, white and blue."

The WCTU, the Methodist Federation for Social Service, the YMCA, YWCA, the National Council of Women, the Federal Churches of Christ in America, the Women's Federation of Clubs, the American Association of University Women, the National Council of Parent-Teachers associations and the Farmers National Council are some of the organizations on the D. A. R. official prescribed list, Mr. White said.

WASHINGTON, April 5.—(AP)—After reading William Allen White's statement, Mrs. Alfred J. Brouseau, president-general of the D. A. R., issued the following terse pronouncement, which she termed an "ultimatum":

"I thank Mr. White for his gallant offer of the last word and I hope it will be the last word in the entire matter. I emphatically disclaim all responsibility for the alleged list."

She declined to comment further.

The committees appointed by Carl Lodell, general manager here, and chairman of the meet, are making plans already to make the affair eclipse the one of last

year. Harold Boone is chairman of the general reception committee. Other committees are housing, Ray Burr, chairman, Kay Olsen, Webb and Grote, assistants; visiting coaches committee—W. A. Kearns, director of athletics, chairman; awards and banquet—Harry Baker, chairman; contestants field committee—Carl Metten, chairman, Melvin Whitlock, John Shybe, Russell Striff, Harlan Striff, Patterson, and Clyde Ritter, assistants; Olympic parade—Ursel Narvel, student body president, chairman.

Salem high won the meet last year which was the first state high school track and field meet held in Oregon since 1919. Salem piled up a total of 27 points, to win over Jefferson high of Portland with 25 1/2 points. The boys from the Capitol city won the relay in the most exciting duel of the day, and with it the meet.

Siegmund of Salem was the hero of the day, deciding the meet in favor of his school by winning the 100 yard dash, and by a superhuman effort overcoming a lead of five yards in the last lap of the relay, the final event of a glorious exhibition of high school track.

More than 350 athletes competed, representing 40 high schools, last year. Much more interest is being shown this spring, 12 "prep" schools, having already sent in their applications for entrance in the meet. They are Washington and Roosevelt of Portland; Grants Pass, Astoria, Bend, Union, Eugene, Echo, West

Linn, Culver, and Mill city high schools.

DELANEY SIGNS UP TO FIGHT SHARKEY

NEW YORK, Apr. 5.—(AP)—Jack Delaney, former light heavyweight champion, tonight signed through his manager to fight Jack Sharkey of Boston, in 15 round heavyweight match at Madison Square Garden April 30. Sharkey signed articles last Friday.

The bout is just a "fight," Jess McMahon, matchmaker at the Garden said, and has no connection with the elimination tournament that brought defeats for both Delaney and Sharkey and a heavyweight title shot for Tom Heeney.

INDOOR SWIMMING MARK CHALKED UP

CHICAGO, Apr. 5.—(AP)—Another world's indoor swimming record tumbled tonight. Walter Laufer, 20 year old star of the Lake Shore Athletic club, Chicago, won the national 150 yard backstroke at the National A. A. U. meet with the time of 1:37.3. The old record 1:39.1, was held by the defending champion, George Kojack, of the New York boys' club who finished second.

David Young of the New York A. C. was third and George Flesler of the same club fourth.

By his backstroke victory, Laufer clinched high individual scores for clinched high individual scores honors for the meet with a total of 16 points.

Walter Spence, of the Brooklyn, N. Y., Central YMCA, established his second world's record in the week's meet by swimming the 100 yard breast stroke event in 1:05 in an official exhibition.

The old record, held by John Farley, formerly of the Illinois Athletic club, was 1:07.1, established in 1924.

That Tired Feeling

Is it caused by overwork—either mental or physical—or is it due to a condition of the system known as "over-acidity"?

Scientists claim the latter cause to be largely responsible for lack of endurance, and emphasize the vital importance of maintaining the "Chemical Balance"—that margin by which alkali exceeds acid in the blood.

This natural tonic is Alkaline in action—neutralizes the acid and supplies mineral elements which are absolutely essential to health.
