Does Your Husband Know this?

Little do husbands realize the care and thought you give to purchasing your family foods.—Wives, the length and breadth of the land, seek out good foods and good values—striving to make food-dollars buy the utmost in goodness at the fairest price. And at Damon's they find their search rewarded. Many thrifty housewives come to Damon's to trade, knowing full well that Damon gives them increased value for every dollar.

Oil-O-Matic is Outselling any other oil burner by 2 to 1
In 83% of all cities over 25,000 and in most of the smaller towns it is the only oil burner used
Homeowners want dependable, uniform heat. Read how Oil-O-Matic has provided it for seven years—and the special reason for your having Oil-O-Matic installed now!

Only in this way—can you get all the benefits of OIL HEAT
UNIFORM HEAT—Oil-O-Matic does not vary two degrees from the figure you set on the thermostat.
LOW COST OF OPERATION—Oil-O-Matic burns Fuel Oil as well as any of the lighter grades. There is no continuous pilot light to waste gas. Less electric current is used to operate the slow quiet motor.
CONVENIENCE—Forget you have a heating plant. All the controls are electrical and automatic. They regulate the temperature day and night without your giving it a thought.
GREATER CLEANLINESS—Curtains, walls and furnishings stay clean longer. All of the oil is converted into heat without soot, smoke or fumes.
EXPERT INSTALLATIONS—Our service men are graduates of the Williams Institute of Heat Research. We have the facilities and experience to study your individual heating problem and install a system that will give you lifetime heating satisfaction.
This is the first time that the people of Salem and vicinity are offered an opportunity of securing an Oil-O-Matic Oil Burner for their heating plant at a greatly reduced price during the month of April. Get all the facts now. Let us examine your heating plant and quote you on the complete cost.
