#### Armistice Observed Today In Acrimonious Cam- paigns for Elections

CHICAGO, Apr. 7.—(AP)—An Easter Sunday armistice tonight silenced the big berths in Illinois' hottest and acrimonious primary campaign while the candidate-cannoners along the political battle front retreated to the home line trenches to dig in for the battle of the ballots Tuesday.

The oratorical cannonading was muffled and the active campaign of all factions was ended except for last minute political sniping, but on its heels came the new army that will referre next Tuesday's fight. In Chicago alone this army numbered nearly 20,000 and besides 15,000 precincts officials included 5,000 policemen, 3,000 watchers and challengers of various factions and 3,000 independent watchers representing non-political civic organizations attempting to insure freedom of expression at the polls.

County Judge Edmund K. Jarecki, in charge of election machinery today issued the call for the independent watchers after reports had been circulated that attempts were to be made to run through thousands of fictitious votes.

From the factional camps emanated the usual confident predictions of victory. Among the most sanguine of the statements was one from Colonel Frank L. Smith, twice denied a seat in the United States senate because of contributions to its primary campaign two years ago by public heads. He said his majority for the republican senatorial nomination Tuesday over Otis Glenn would be greater than the 102,000 majority he received in the November 1926 election.

### TAKE DEPEW BODY TO NATIVE VILLAGE

#### Tribute of Nation Accom- panies Remains of Fam- ous Old American

NEW YORK, April 7.—(AP)—Accompanied by the tribute of a nation, the body of Chauncey M. Depew was taken back today to his native village of Peekskill in the highlands of the Hudson.

In a great, white mausoleum in the rolling hills outside the village the casket was hidden from a world in which over a period of almost 84 years he had risen from country boy to the combined distinction of statesman, railroad executive, humorist and philosopher.

The quiet countryside and speeding New York joined to extend final honors. Old residents of Peekskill who knew Depew as a youth and children to whom his name is legend crowded the streets of the village and stood with bared heads as the funeral cortege arrived under police escort from New York where thousands earlier had assembled for services in St. Thomas Episcopal church in 5th avenue.

Members of the village board of trustees met the procession at the Peekskill village line and escorted it to the historic Hillside cemetery two miles from Peekskill's main street where Mr. Depew was born. A platoon of cadets from Peekskill military academy from which he was graduated, formed a cor-

### Takes Lead

Girls like this who have learned the art of keeping themselves always attractive usually lead wherever they may be. She follows the law. She's Carlotta Marino, of 57 West 58th St., New York City, much admired in the Vanities, the Follies and George White's Scandals, and a feminine star of the movie hit, "No Trespassing." She says: "When people admire my complexion or my hair, I tell them that I can easily keep theirs the same way by simple care. The new way so many of us here in New York are doing our hair is especially easy. All we do is put a few dashes of Danderine on our brushes every time we use them.

"It's marvelous to see how beautifully clean and shining this keeps your hair. I don't have to shampoo half as often now. I set my waves with Danderine, too, and it holds them ever so much longer. All dandruff disappeared with a few applications and my scalp always feels fine now."

Danderine removes that oily film from your hair and gives it new life and lustre. It isn't oily and doesn't show. It gives tone and vigor to the scalp. The generous bottles are just 35c at any drug store. A delicately fragrant toilet necessity for the well-groomed girl.

### CHURCH PROGRESSES

#### AMERICAN LUTHERAN BEGINS MORNING SERVICES

The American Lutheran church this Easter morning will conduct its regular 11 o'clock services in its own building, recently purchased from the Presbyterian church organization. That body which will move into its new building soon, will use the chapel at Waller Hall until the new building is ready.

Rev. F. W. Erickson, pastor of the American Lutheran church in Salem, was organized a year ago by Rev. Luther B. Deck of Vancouver, Wash., to fill a keenly felt need for an all-American church which should be a common church home for Lutherans from all the various synods.

Rev. F. W. Erickson, his first pastor, began his duties January 1. He was pastor at Argyle, Wisconsin, for ten years, and has traveled as superintendent of home missions for two years. He came here from Seattle, where he was pastor for five years.

### MURDER HEARINGS HELD

Mrs. Nancy Lynn and Brother Charged With Poison Plot

TEXARKANA, Ark., April 7.—(AP)—Preliminary hearings for Mrs. Nancy Lynn, 63, and her brother, Robert Morris, 61, charged with assault with intent to murder for the alleged poisoning of a community well at a lumber camp near Fouke, Ark., were set for Thursday when they were arraigned in municipal court here today.

An improvement was noted today in the condition of 23 employees and their families in the Goldman and Elam sawmill camp, who became ill after drinking water from the well. An analysis of the water revealed that approximately a pound of arsenic had been placed in it.

Mrs. Lynn and Morris appeared in court without counsel. The prosecution announced it would have five witnesses by whom it expects to show that the aged brother and sister placed the arsenic in the well with felonious intent.

Officers say Mrs. Lynn feared her children were seeking to dispose of her property and would leave her at the object of charity. Her efforts to prevent them from selling timber lands led recently to a series of quarrels with mill owners and their employees, officials said.

### NATIONAL HEAD LEGION DUE HERE MONDAY EVE

5 o'clock from Portland, where the high officials that afternoon will stay at the veterans' hospitals.

From Silverton, they will be brought immediately to Salem by automobile, and will be taken to the state house for a reception which will be participated in by Governor Patterson, Mayor Livezey and the local legion officials.

Banquet at P. M.

The local legion drum corps will then escort the official party to the Marion hotel, where the banquet, attended by about 225 legionnaires, will be held at 6:00 o'clock.

At 7:15 the parade will form at the armory. This feature of the reception is in charge of Ted Irwin, Lewis P. Campbell and Lieutenant Vincent, who last night arranged the order of march would be as follows:

Traffic car; state legion department colors; Albany legion band; two companies of National Guards; Sheridan legion band; massed colors of all posts; the national commander and his party, with a special guard of Eagle Scouts; Salem drum corps detachment of legion men marching; visiting drum corps, their order to be determined by lot.

Meeting at Armory

The parade will proceed down Commercial street of Court, east to Liberty, south to State, east to High, south to Ferry, and back to the armory in time for the meeting of Capital Post No. 9, which is scheduled for 8 o'clock.

This meeting will be open only to legionnaires and members of the Auxiliary, as there will be enough of them, with all of the visitors that are expected, to fill the auditorium.

National Commander Spafford will be the speaker at this meeting, which will be followed by a dance and a luncheon prepared by the Auxiliary.

The national commander will leave for Seattle by airplane from Silverton the following morning, but the legion activities of the week will be far from over.

On Tuesday the state executive committee of the legion will meet here, and in the evening will be the regular post meeting. At this time, eight past commanders will be present. Those commanders are Dr. W. Carlton Smith, Dr. B. F. Pound, Joe D. Minton, George B. Griffith, Carl D. Gabrielson, some member of the family of the late Clifford W. Brown, Vic MacKenzie and Lyle B. Dunsmore.

On Wednesday evening will be the spring frolic at the armory, an event which the legion has been planning for some time, and admission to which may be had by presenting tickets purchased in connection with the legion's blanket campaign.

successful. In evaluating the product of the normal school there should be the same consideration shown as is given to evaluating the product of other institutions of learning in Oregon.

"Most interesting statistics covering a period of years might be gathered showing the number of women and men prepared for engineering, agriculture, commerce, journalism and other professions who had failed to accomplish in the field in which they had prepared."

"However, a normal school must meet its responsibility in eliminating a considerable percentage of its students each year, for such a percentage is obviously unfit, mentally, temperamentally and physically, as well as lacking in knowledge of the elementary subject matter.

"Next September all entering students will take objective examinations in a number of subjects. These include one hour intelli-

There now remains to be collected some 3000 volumes to complete the library of 7500 volumes, necessary for standardization, but with the spirit of cooperation shown by the men who have aided in the task thus far, the final accomplishment is not far off, believes Dean Hewitt.

themselves lined up against "the field." Some of the 7500 volumes, secretary's supporters say they see victory in sight; others, more cautious, are making no claims, but are hopeful. There is the same division of sentiment in the Smith camp.

As for their rivals, most of them are going on the theory that both of them are far away from the nomination and will never make the grade. They foresee a demand for a compromise candidate or an opponent for a "dark horse" and are making preparations to take advantage of any such breaks.

Whoever is nominated at Kansas City must muster a majority of 45—while at Houston 73 1/2 votes—two thirds—will be needed.

Ohio, Indiana Eyed

For the moment, the republican have their eyes on the approaching Ohio and Indiana primaries where Hoover is facing stiff fights, and in Massachusetts, New York and Pennsylvania.

The Hoover managers are seeking to strengthen the secretary's hand in the bay state primaries April 24, the same day voting in Ohio will tell conclusively the effect of Senator Willis' death.

"On all sides there is a tendency to feel that the unopposed delegates from New York, Pennsylvania and Massachusetts may have the deciding say in the Kansas City convention, and campaign plans are being laid accordingly in both the Hoover and anti-Hoover camps.

Tax Bill Has Hard Road

WASHINGTON, Apr. 7.—(AP)—The administration tax reduction program, presented to the senate this week by Secretary Mellon is in for some severe knocks next week by the representatives of business and the automobile industry but the republican majority of the senate finance committee was confident today of holding its position for the Mellon plan.

Public hearings were to have been opened Monday but both the automobile people, who asked to be heard, and the chamber of commerce of the United States, which will present its case, have petitioned for hearings later in the week and the public meetings of the committee may not get underway until Tuesday or Wednesday.

Shifts Anticipated

Meanwhile Chairman Smoot of the committee who is in charge of the republican majority on the committee, announced today that the previous decision for a 12 per cent corporation tax was only tentative. He indicated strongly that an attempt may be made later to make this rate 12 1/2 per cent.

The corporation tax is one of the main points of contention in
