Professor Vasakas Speaker at Meeting of Salem Woman's Club
 "Mysticism in Literature" was the subject of the interesting talk which Professor Alexander Vasakas, head of the modern language department at Willamette University, gave Saturday afternoon at the meeting of the Salem Woman's club in the club house on North Cottage street.
 Professor Vasakas, who was introduced by Mrs. George H. Alden, general chairman of the applied education department of the club, opened his talk with the quotation from Woodrow Wilson that "American civilization is the out-

come of two great civil streams, Greek culture and Hebrew religion."
 Every age in literature that is great or grand is saturated with religion and mysticism, according to the speaker. This being true, the new testament is the greatest piece of literature ever written.
 Mrs. A. L. Wallace, president-elect of the club, gave a complete report of the meeting of the Marion County Federation of Women's clubs held at Willard.
 Mrs. Martin F. Ferrey sang "Still is the Night" (Bohm) and "Pomegranate on your Lips" (Woodford-Tinden), accompanied by Miss Evangeline Hall.
