Fight fans will surely get their money's worth at a fight, tonight, if they ever will. Here we have 14 of the best fighters in and near every who will participate in 34 rounds of real fight in the local armory.

Most of these boys are known to local fight fans, many of them being placed on the card due to public demand. This will be the first time that any such fight has been staged in this city, and by the looks and sounds of things it will go over with a bang.

Tonight's attraction at the armory has caused much discussion and has aroused much interest among Salem fight fans who are as anxious to see the fight as the fighters are to participate. It will feature no newcomer entering the ring to show his wares, just a well known group of local knuckle swingers who are going to give every inch of energy, fight every minute of the bout, who know nothing about hitting the canvas.

Every fighter has spent much time in preparation for tonight's show and each is in the best physical condition, eagerly waiting for the sound of the score.

Danny Moore of Independence, reputable battling youth of Independence, will take the place of Ross, against the blood thirsty Stockey Foley in a four round bout. Ross was injured and will keep him out of the ring for some time.

Each member of the battling aggregation took a light workout in the armory gymnasium last night to get the last few kinks out of their muscles. The only question in their minds now is who will receive the \$10 award offered by the boxing commission for the best crowd pleaser. So far each has

ample reasons to believe that he will be the fortunate battler.

JUNIOR MULTNOMAH SWIMMERS COMING

The third swimming meet of the Salem high school team will be held in the YMCA tank Saturday night when it will meet the strong junior Multnomah athletic club swimmers, which will afford a real test for the red and black splashers. The Salem high water bounds training under the supervision of Coach Louie Anderson are showing better form in each

meet and have reasons to believe that they will defeat the strong Portland team.

This is the first season that swimming has ever gone over with a bang at the local high school. Several attempts to organize a team here and make it a major sport have failed in former years. The success of the team this season is largely due to the efforts of Coach Anderson. The coach is now drawing up a set of rules which he will submit to the student council, for the purpose of making swimming a major sport at the local high school, which means that letters will be awarded to those competing if the plan is favored.

The Salem high mermen have already won two meets and lost none this season, which sounds very encouraging to both swimmers and the high school student body. Much interest is being shown by the townspeople in the sport, which was proven at the University high vs. Salem high meet here some time ago, when a capacity crowd attended. The Salem high natators have defeated the University high here 39 to 11 and the Eugene high tank splashers at Eugene 34 to 27.

On May 11 the red and black team will meet the Eugene high swimmers here in a return meet. May 12, they will journey to Portland to match their ability with the Multnomah juniors again. The "Neptunians" of Grant high school are also very anxious to schedule a meet with Salem. The locals are also arranging a meet with the Benson polytechnical school splashers of Portland, which will wind the season up with about 10 meets, reports Paul Lafferty, manager of the Salemites.

The members of the Salem team and the events in which they will compete Friday are as follows: 50 yard dash—Needham and Lafferty. 220 yard—Hug and Alley. Dive—Chaffee. Breast stroke—Lafferty and Alley. Back stroke—Needham and Hug. 100 yard dash—Cross and Lafferty.

STATE TRACK MEET RECORDS MAY FALL

By Paul G. Allen
OREGON STATE COLLEGE, Corvallis, May 1.—(Special.)—The success of the second annual inter-scholastic track and field meet to be at Oregon State college May 12 is assured, judging from the number of entries and records made in high school meets throughout the state. Records established last year are likely to fall as many of them have been bettered already and men who competed last year will have the benefit of a year's development and experience.

The awards for the meet consist of a cup for the winning team, presented by the associated students of Oregon State college; a cup for the winning relay team, presented by Dank and company; a cup for the winner of the 880-yard run, presented by L. V. Windnagle, vice principal of Washington high school; banners for second and third place teams, presented by the associated students of Oregon State college; individual medals—first place gold, second place silver, third place bronze—presented by the associated students of Oregon State college.

Salem placed in five events in the annual relay carnival at Eugene. Although Salem took no firsts this is not necessarily indicative of what the red and black tracksters will do May 12 as only one of the events is a relay.

Salem looks good in the shot put and broad jump with Smith and Lloyd who placed second in these events at Hayward field. Salem high took all first places but one in a triangular meet with Silverton and Independence, both of whom are entered in the meet May 12.

Commerce high took the honors in a three-cornered meet with Lincoln and Jefferson in Portland. Carl Ayres hurled the javelin 151 feet on a muddy, slippery field which was the outstanding feature of the meet. Ayres took first place with the javelin last year, in the meet here, with a throw of 164 feet 11 inches.

Benson and Washington high schools, both of Portland, and Vancouver, Wash., tangled in a meet in which Benson took first and Washington third. Commerce and Franklin are the only Portland high schools not entered in the meet to date.

La Grande, eastern Oregon track champion for three years, took first place in a quadrangular meet with Union, Wallowa and Enterprise. Union placed second and Wallowa and Enterprise tied for third. Cox of Union put the shot 42 feet 8 1/2 inches, and Charlton of La Grande heaved the javelin 146 feet 11 1/2 inches.

Koskela of Astoria who put the shot 44 feet 11 1/2 inches last year is competing again this year. Competition in this event will be keen this year with entries from Salem, Lincoln of Portland, Union and Corvallis. Underwood of Lincoln heaved the shot 44 feet 10 inches in the meet at Eugene. H. Smith of Salem placed second and Joel of Corvallis third.

Events scheduled for the meet are the 100-yard dash, pole vault, high jump, discus, shot put, mile run, 220-yard dash, 120-yard high hurdles, 220-yard low hurdles, 440-yard run, broad jump, 880-yard run, half mile relay—4 men teams, each man running 220 yards. Points will be awarded for the first five places as follows: first place 5 points, second place 4 points, third place 3 points, fourth place 2 points, fifth place 1 point.

Schools entered in the meet to date number 29, six of which are new. Those entered for the first time are Milwaukie, Echo, West Linn, Culver, Mill City, Rufus and

Whispers Heard After Sharkey's Easy Victory

NEW YORK, May 1.—(AP)—Circumstances surrounding the Sharkey-Delaney heavyweight fight, which resulted in a sensational one round knockout victory for Sharkey last night in Madison Square Garden, will be investigated by the state athletic commission, Chairman James A. Farley said today, as a result of the wide circulation of reports that the bout was not "on the level."

NEW YORK, May 1.—(AP)—There is little question, critics agree, that Sharkey would be a much bigger magnet at the "gate" as an opponent for Gene Tunney than Tom Heeney, but "Honest Tom" has answered the call. Sharkey muffed his earlier chances to gain the position of logical contender that was all but reserved for him this year.

Sharkey evidently suffers from some sort of complex by which he must be worked into the proper state of mind or aroused to a furious impulse to go out and win, the sailor looked unbeatable against Harry Wills, Jimmy Mahoney and Jack Delaney. He was great against Dempsey for one round but "fooled up" afterward. He was mediocre against Heeney and Risko.

There is still the question of whether Sharkey can "take it" and for how long. There was no test of this last night for Delaney barely laid a glove on him before being punched goofy.

STRANGLER LEWIS AND LUTZE READY

LOS ANGELES, May 1.—(AP)—Ed "Strangler" Lewis, heavyweight wrestling champion, and Nick Lutze, Chicagoan, wound up training today for their title bout on the mat here tomorrow night.

Lewis, because of his greater experience in the grappling game, was favored to repulse the challenge of his youthful foe, but Lutze was given an even break by some of the so-called "wild men" of the wrestling racket, because of the brilliant record—more than three score successive victories—he has made in the last seven months.

It will be a battle of the famous headlock holds of the champion and the jack knife scissors holds of the challenger. Lutze hopes to apply his benumbing scissors on Lewis' left arm and take from the champion his greatest hold.

Lewis, it was reported from his training camp, weighs in the neighborhood of 225 pounds. He will have a weight advantage of nearly 20 pounds over his opponent.

Pyle's coast to coast foot race, Peter Gavuzzi, today increased his lead over Andrew Payne of Claremore, Okla., when with Seth Gonzales of Denver he led the seventy surviving runners into the fifty-ninth control. Gavuzzi and Gonzales' time for the 31.6 miles from Springfield was 3:52:24.

REDWOOD MARATHON INDIANS IN TRAINING

SAN FRANCISCO, May 1.—(AP)—A 480 mile trail of blistered feet and aching limbs taught a lesson of preparedness to some of the entrants last year and at least a dozen runners are already in training for the Redwood Highway Indian marathon from San Francisco, Ore. It starts June 14.

Mad Bull, last year's winner, and his running mate, Flying Cloud, who came in second, are reeling off a few miles daily at Eugene, Ore. They are working out under William "Bill" Hayward, track coach at the University of Oregon.

Five fleet-footed members of the Zuni tribe in Arizona will make a bid for some part of the \$10,000 in prizes. Those in charge received this word from Mike Kirk, noted trainer of Indian runners. Colors of Healdsburg, Cal., will be carried by Humming Bird whose backers claim he is one of the fastest runners on the coast. Joe La Fontaine, unable to complete last year because of a fractured ankle suffered just before the race, will represent Crescent City, according to present plans. Every runner in the 1928 trek must complete the 480 miles in 10 days.
