At The Elsinore Two Matinees

Again this week the two matinees which have been arranged for the patrons of those merchants advertising in the Green Section of The Oregon Statesman, give every promise of being two of the best seen here in some time.

The first matinee at the Elsinore is scheduled for Saturday afternoon and the picture will be "The Pioneer Scout." This is an interesting and thrilling western story which features Fred Thompson. The Manhattan Players will present "The Hoodlum" as part of the entertainment. This is a human story with a little comedy

and a little tragedy. Throughout there is a great thrill which leaves the audience well pleased.

Admission to the matinee Saturday afternoon requires the presentation of a sales slip for one

dollar from some advertiser in this Green section, the correct coupon and fifteen cents.

The advance in price for the Saturday afternoon matinee from ten to fifteen cents was made

ROTH'S

Let Us be

Your Purchasing Agent

Food is the first essential of life, and the the proper distribution of food is as much a public necessity and benefit as the proper production and growing of food crops. The food merchant is merely the purchasing agent for a large number of families just as the wholesaler is the purchasing agent for a large number of stores. Our aim as purchasing agent is to give you the very best foods we can buy and as our distribution is on a large scale, we are in a position to purchase goods at the very best prices, which we in turn pass on to our customers. You will always find our canned goods, cereals, fruits, vegetables, fresh and cured meats, delicatessen, bakery goods, and all other items that go to make up a stock of high-grade food-stuffs the vest best the market affords.

Then too, we believe a customer is entitled to the service of delivery and a monthly account accommodation which we cheerfully give to responsible people.
