Burnett Bros., Jewelers—"Pay Us as You Are Paid"—Twelve Stores on the Pacific Coast—From Everett to Hollywood—and not Only the Largest, but (We Hope) the Best!

**Portable Phonographs**  
 On Sale at About Half the Usual Price  
**TODAY \$12.45 Apiece**

**50¢ DOWN** **12.45**

The phonograph shown in the sketch is of the highest type both musically and mechanically. It measures about fourteen inches in length—and a foot across. The cover is of Fabricoid and duplicates the most expensive leather. The reproducer and the tone arm are nickel silver plated. The tone produced is loud and clear and musical. It will play any of the standard records. There is space inside the cover for fifteen records (thirty selections!) and the cabinet, records and all may be "toted" to camp or picnic without any great effort.

In most good music stores such phonographs as these sell at twenty to twenty-five dollars—but—for advertising purposes they are to be sold here tomorrow at \$12.45. Unfortunately the sale is limited to just one hundred—so please be happy with just one—others will want to share in the treat, you know!

We shall be glad to have any of the readers of The Oregonian take one on the Burnett Budget Plan—We greatly prefer not to sell them for cash—since the purpose of the plan will be defeated. Take one for half a dollar—Open an account here—where you may get all the gifts you need for all occasions—and "Pay Us As You Are Paid"—dollar a week will do.

This is first and foremost a jewelry store—selling diamonds and watches and silverware—and all the "Gifts that Endure and Endear"—But occasionally we step aside from the beaten path and offer something "different." Not to make money—but to make new friends and to show that the Burnett Budget Plan is the Easiest, the Happiest and the most Economical way of securing Gifts for all the Great Occasions along the Highway of Life—(All of which we have said before!)
