Salem High Team Wins Valley Track Meet

Senators Will Resume Play Today Against Alcos On Albany Diamond ICALS FAR AHEAD

PERIOD OF IDLENESS NOT SALEM'S FAULT

After two weeks of idleness enforced by circumstances over which it had no control, the Salem team in the Willamette Valley Baseball league will get into action again today, meeting the Albany Alcos at Albany. The game is called for 2:30 p. m.

Fans have been wondering why the legue was inactive, with the exception of one game at Cottage Grove, for the last two weeks in spite of the fact that the weather was reasonably good here and the Oxford Park diamond in use for

The fact is that it was not the Senators' fault nor their choice, that they remaned idle. Albany and Eugene diamonds had not been put in condition, and it was reported that they could not be made fit for play because of the recent rains. Meanwhile, Salem, Bend, . Wendling and Cottage Grove fans and club managers became restice, and have been urging that the schedule be arranged so that they may proceed.

The game between Salem and Albany will be the only league enmuddy to work. Bend and Cottage park is still reported to be too

MULTNOMAH SWIM TEAM BEATS SHS

The Salem high school swimmine team suffered their first de-fear of the season last night when they were trounced 40 to 13 by the Multnomah junior swimming day with an exhibition of hitting eam of Portland in the Y. M. C. A. tank before a large crowd.

This is the first year that the Salem high school has ever held score of 10 to 5. any swimming meets, and they considered it lucky if they would win only one meet this season. Already they have defeated two of the strongest high school teams by large margins. In one or two more seasons it is believed that Salem will have one of the strongest swimming teams in the state. This group looks like Methuselah and his playmates, but as fans who saw them in action a year ago can testify, they are ball players who can perform in top notch style. They are the members of the House of David baseball team, who will play the Salem Senators Wednesday afternoon at Oxford Park. Salem nosed out a victory last year, and Davidites will be back for revenge.

It is very important that everyone know how to swim. Over 8000 people lose their lives through drowning each year. Since the swimming campaign has been inaugurated in Salem, there has been practically no drownings, while before there were 3 to 5 drownings yearly. There is no 4:00 p. m. wholesome recreation and body building exercise better than 5:00 p. m. swimming for growing chlidren.
