DR. LEWIS' HERB COMPOUND Blood Lax-Tonic

A REMEDY THAT MAKES LIFE WORTH LIVING

BLOOD LAX-TONIC acts as a mild laxative and has a tonic action as well. The first few days the discharges will be watery and of bad smell, which indicates that the poison is working out of the system. The patient need not be alarmed as the profuseness will cease as soon as the system is freed from its poison. Some are apt to conclude that the medicine is a powerful cathartic, and think they are weakened by its constant use. Not so—let it never be forgotten that these symptoms are results only of the great amount of pent up poison in the blood and that the medicine should be taken each day until the blood is relieved from the poison and the stomach, liver and kidneys are stimulated to healthy action.

\$1.00 Coupon \$1.00
This coupon and \$1.00 presented at Perry's Drug Store will entitle you to a Regular \$2.00 package of Dr. Lewis' Herb Compound Blood Lax-Tonic.
