41 weeks at Queen's theater in London.

In addition to the play there will be the picture "The Last Waltz." Some very clever acting may be seen in this screen production. This is a new story told in a dramatic way and yet there is plenty of comedy and enough action to suit the most critical.

The second show will be the Monday afternoon matinee at the

Elsinore theater and the price of admission will be the proper coupon, a sales slip for one dollar from some advertiser in this Green section and 15 cents.
Of course the main attraction will be the Fanchon and Marco idea, which this time will be 20 beautiful girls. They are regular Ziegfeld Follies girls direct from New York. They dance and sing—have a variety of musical instruments and stage many novelty stunts.

The picture for the Monday matinee will be "The Patsy," which is a real story of thrills filled with comic situations. It was directed by King Vidor.

Again this week there will be the Family show at the Oregon theater on Monday evening. The proper coupon, a sales slip for one dollar from some advertiser in this Green section and 35 cents will admit the entire family—one or more. On the screen will be the picture "The Coward." This is a story of New York society and of the north woods. It is filled with action and moves along in a lively manner. The Singer Stock company will present "Nothing But the Truth," a comedy of unequalled merit.
