and has been termed "a low brow comedy for high-brows." The Fanchon and Marco idea which forms a part of the Monday afternoon matinee, will be "Jap-a-Knees." This is an oriental fantasy from the strange far away land of Cherry Blossoms with the stage setting in the shadow of a giant pagoda, while in the distance may be heard the mysterious clang of the temple bells. Monday evening at the Oregon theater will be the Family Show. The proper coupon, a sales slip for one dollar from some advertiser in this Green section and 35 cents will admit one entire family for this evening show. The Singer Stock company will present "Inside Information" and on the screen will be "The Canyon of Adventure." This picture is a melodrama filled with adventure and thrills of the west.

Have You Faith In Your Dentist

Faith in His Ability
Faith in His Honesty of Purpose
Faith in His Guarantee

Faith is a wonderful thing, a very necessary and comforting part of our existence. I never knew a man or woman who had "faith" who was very bad, nor one who lacked "faith" who was very good.

There's something intuitive about faith—you seem to "know" things are so and people are true, even though all the world says otherwise. You see faith in the eyes of your dog—faith in the smile of a child—faith in the trust of a woman, and faith in the hand-clasp of your friends.

Better a man lose all than lose his faith in himself and his friends.

The measure of success I have made in my profession I owe to faith. I had faith in myself, in my ability to serve the public well, and faith that my HONESTY OF PURPOSE, at LOWER PRICES would not confuse this office with the nameless irresponsible concerns who use cheap prices, merely as a "bait" or "Lure."

Dr. Eldridge

People who must count the cost of dental work in these days of high prices should look for RESPONSIBILITY FIRST and price afterward.

If my very low fees were the Only inducement I offered I should not expect, nor should I deserve, the patronage of the people who think for themselves.
